

§ 42.403 Agency regulations.

(a) Any federal agency subject to title VI which has not issued a regulation implementing title VI shall do so as promptly as possible and, no later than the effective date of this subpart, shall submit a proposed regulation to the Assistant Attorney General pursuant to paragraph (c) of this section.

(b) Any federal agency which becomes subject to title VI after the effective date of this subpart shall, within 60 days of the date it becomes subject to title VI, submit a proposed regulation to the Assistant Attorney General pursuant to paragraph (c) of this section.

(c) Regarding issuance or amendment of its regulation implementing title VI, a federal agency shall take the following steps:

(1) Before publishing a proposed regulation of amendment in the FEDERAL REGISTER, submit it to the Assistant Attorney General, Civil Rights Division;

(2) After receiving the approval of the Assistant Attorney General, publish the proposed regulation or amendment in the FEDERAL REGISTER for comment;

(3) After final agency approval, submit the regulation or amendment, through the Assistant Attorney General, to the Attorney General for final approval. (Executive Order 12250 delegates to the Attorney General the function, vested in the President by section 602 of title VI, 42 U.S.C. 2000d-1, of approving title VI regulations and amendments to them.)

(d) The title VI regulation of each federal agency shall be supplemented with an appendix listing the types of federal financial assistance, i.e., the statutes authorizing such assistance, to which the regulation applies. Each such appendix shall be kept up-to-date by amendments published, at appropriate intervals, in the FEDERAL REGISTER. In issuing or amending such an appendix, the agency need not follow the procedure set forth in paragraph (c) of this section.

[Order No. 670-76, 41 FR 52669, Dec. 1, 1976, as amended by Order No. 960-81, 46 FR 52357, Oct. 27, 1981]

§ 42.404 Guidelines.

(a) Federal agencies shall publish title VI guidelines for each type of program to which they extend financial assistance, where such guidelines would be appropriate to provide detailed information on the requirements of title VI. Such guidelines shall be published within three months of the effective date of this subpart or of the effective date of any subsequent statute authorizing federal financial assistance to a new type of program. The guidelines shall describe the nature of title VI coverage, methods of enforcement, examples of prohibited practices in the context of the particular type of program, required or suggested remedial action, and the nature of requirements relating to covered employment, data collection, complaints and public information.

(b) Where a federal agency determines that title VI guidelines are not appropriate for any type of program to which it provides financial assistance, the reasons for the determination shall be stated in writing and made available to the public upon request.

§ 42.405 Public dissemination of title VI information.

(a) Federal agencies shall make available and, where appropriate, distribute their title VI regulations and guidelines for use by federal employees, applicants for federal assistance, recipients, beneficiaries and other interested persons.

(b) State agency compliance programs (see § 42.410) shall be made available to the public.

(c) Federal agencies shall require recipients, where feasible, to display prominently in reasonable numbers and places posters which state that the recipients operate programs subject to the nondiscrimination requirements of title VI, summarize those requirements, note the availability of title VI information from recipients and the federal agencies, and explain briefly the procedures for filing complaints. To the extent that recipients are required by law or regulation to publish or broadcast program information in the news media, federal agencies and recipients shall insure that such publications and broadcasts state that the program in question is an equal opportunity program or otherwise indicate that discrimination in the program is prohibited by federal law.

(d)(1) Where a significant number or proportion of the population eligible to be served or likely to be directly affected by a federally assisted program (e.g., affected by relocation) needs service or information in a language other than English in order effectively to be informed of or to participate in the program, the recipient shall take reasonable steps, considering the scope of the program and the size and concentration of such population, to provide information in appropriate languages to such persons. This requirement applies with regard to written material of the type which is ordinarily distributed to the public.

(2) Federal agencies shall also take reasonable steps to provide, in languages other than English, information regarding programs subject to title VI.

§ 42.406 Data and information collection.

(a) Except as determined to be inappropriate in accordance with paragraph (f) of this section or § 42.404(b), federal agencies, as a part of the guidelines required by § 42.404, shall in regard to each assisted program provide for the collection of data and information from applicants for and recipients of federal assistance sufficient to permit effective enforcement of title VI.

(b) Pursuant to paragraph (a) of this section, in conjunction with new applications for federal assistance (see 28 CFR 50.3(c) II A) and in any applications for approval of specific projects or significant changes in applications for continuation or renewal of assistance (see 28 CFR 50.3(c) II B), and at other times as appropriate, federal agencies shall require applicants and

recipients to provide relevant and current title VI information. Examples of data and information which, to the extent necessary and appropriate for determining compliance with title VI, should be required by agency guidelines are as follows:

(1) The manner in which services are or will be provided by the program in question, and related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination;

(2) The population eligible to be served by race, color and national origin;

(3) Data regarding covered employment, including use or planned use of bilingual public-contact employees serving beneficiaries of the program where necessary to permit effective participation by beneficiaries unable to speak or understand English;

(4) The location of existing or proposed facilities connected with the program, and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any persons on the basis of prohibited discrimination;

(5) The present or proposed membership, by race, color and national origin, in any planning or advisory body which is an integral part of the program;

(6) Where relocation is involved, the requirements and steps used or proposed to guard against unnecessary impact on persons on the basis of race, color or national origin.

(c) Where additional data, such as demographic maps, the racial composition of affected neighborhoods or census data, is necessary or appropriate, for understanding information required in paragraph (b) of this section, federal agencies shall specify, in their guidelines or in other directives, the need to submit such data. Such additional data should be required, however, only to the extent that it is readily available or can be compiled with reasonable effort.
