

§ 51.34 Expedited consideration.

(a) When a submitting authority is required under State law or local ordinance or otherwise finds it necessary to implement a change within the 60-day period following submission, it may request that the submission be given expedited consideration. The submission should explain why such consideration is needed and provide the date by which a determination is required.

(b) Jurisdictions should endeavor to plan for changes in advance so that expedited consideration will not be required and should not routinely request such consideration. When a submitting authority demonstrates good cause for expedited consideration the Attorney General will attempt to make a decision by the date requested. However, the Attorney General cannot guarantee that such consideration can be given.

(c) Notice of the request for expedited consideration will be given to interested parties registered under § 51.32.

§ 51.35 Disposition of inappropriate submissions.

The Attorney General will make no response on the merits with respect to an inappropriate submission but will notify the submitting authority of the inappropriateness of the submission. Such notification will be made as promptly as possible and no later than the 60th day following receipt and will include an explanation of the inappropriateness of the submission. Inappropriate submissions include the submission of changes that do not affect voting (see, e.g., § 51.13), the submission of standards, practices, or procedures that have not been changed (see, e.g., §§ 51.4, 51.14), the submission of changes that affect voting but are not subject to the requirement of section 5 (see, e.g., § 51.18), premature submissions (see §§ 51.22, 51.61(b)), submissions by jurisdictions not subject to the preclearance requirement (see §§ 51.4, 51.5), and deficient submissions (see § 51.26(d)).

§ 51.36 Release of information concerning submissions.

The Attorney General shall have the discretion to call to the attention of

the submitting authority or any interested individual or group information or comments related to a submission.

§ 51.37 Obtaining information from the submitting authority.

(a) If a submission does not satisfy the requirements of § 51.27, the Attorney General may request from the submitting authority any omitted information considered necessary for the evaluation of the submission. The request shall be made by letter and shall be made within the 60-day period and as promptly as possible after receipt of the original submission. See also § 51.26(d).

(b) A copy of the request shall be sent to any party who has commented on the submission or has requested notice of the Attorney General's action thereon.

(c) The Attorney General shall notify the submitting authority that a new 60-day period in which the Attorney General may interpose an objection shall commence upon the receipt of a response from the submitting authority that provides the information requested or states that the information is unavailable. The Attorney General can request further information within the new 60-day period, but such a further request shall not suspend the running of the 60-day period, nor shall the receipt of a response to such a request operate to begin a new 60-day period.

(d) The receipt of a response from the submitting authority that neither provides the information requested nor states that such information is unavailable shall not commence a new 60-day period. It is the practice of the Attorney General to notify the submitting authority that its response is inadequate and to provide such notification as soon as possible after the receipt of the inadequate response.

(e) If, after a request for further information is made pursuant to this section, the information requested becomes available to the Attorney General from a source other than the submitting authority, the Attorney General shall promptly notify the submitting authority by letter, and the 60-day period will commence upon the date of such notification.
