§ 540.16  Inmate correspondence while in segregation and holdover status.

(a) The Warden shall permit an inmate in holdover status (i.e., enroute to a designated institution) to have correspondence privileges similar to those of other inmates insofar as practical.

(b) The Warden shall permit an inmate in segregation to have full correspondence privileges unless placed on restricted general correspondence under §540.15.

§ 540.17  Correspondence between confined inmates.

An inmate may be permitted to correspond with an inmate confined in any other penal or correctional institution if the other inmate is either a member of the immediate family, or is a party or witness in a legal action in which both inmates are involved. Such correspondence may be approved in other exceptional circumstances, with particular regard to the security level of the institution, the nature of the relationship between the two inmates, and whether the inmate has other regular correspondence. The following additional limitations apply:

(a) Such correspondence at institutions of all security levels may always be inspected and read by staff at the sending and receiving institutions (it may not be sealed by the inmate); and

(b)(1) The appropriate unit manager at each institution must approve of the correspondence if both inmates are housed in Federal institutions and both inmates are members of the same immediate family or are a party or witness in a legal action in which both inmates are involved.

(2) The Wardens of both institutions must approve of the correspondence if one of the inmates is housed at a non-Federal institution or if approval is being granted on the basis of exceptional circumstances.

§ 540.18  Special mail.

(a) The Warden shall open incoming special mail only in the presence of the inmate for inspection for physical contraband and the qualification of any enclosures as special mail. The correspondence may not be read or copied if the sender is adequately identified on the envelope, and the front of the envelope is marked “Special Mail—Open only in the presence of the inmate.”

(b) In the absence of either adequate identification or the “special mail” marking indicated in paragraph (a) of this section appearing on the envelope, staff may treat the mail as general correspondence and may open, inspect, and read the mail.
