§ 701.17 Preservation of records.

The Office shall preserve all correspondence relating to the requests it receives under this part, and all records processed pursuant to such requests, until such time as the destruction of such correspondence and records is authorized pursuant to title 44 of the United States Code. Under no circumstances shall records be destroyed while they are the subject of a pending request, appeal, or lawsuit under the FOIA.

§ 701.18 Fees.

(a) In general. Fees pursuant to the FOIA shall be assessed according to the schedule contained in paragraph (b) of this section for services rendered by the Office in responding to and processing requests for records under this part. All fees so assessed shall be charged to the requester, except when the charging of fees is limited under paragraph (c) of this section or when a waiver or reduction of fees is granted under paragraph (d) of this section. The Office shall collect all applicable fees before making copies of requested records available to a requester. Requesters shall pay fees by check or money order made payable to the Treasury of the United States.

(b) Charges. In responding to requests under this part, the following fees shall be assessed, unless a waiver or reduction of fees has been granted pursuant to paragraph (d) of this section:

(1) Search. (i) No search fee shall be assessed with respect to requests by educational institutions, noncommercial scientific institutions, and representatives of the news media (as defined in paragraphs (j)(6), (j)(7), and (j)(8) of this section, respectively). Search fees shall be assessed with respect to all other requests, subject to the limitations of paragraph (c) of this section. The Office may assess fees for time spent searching even if it fails to locate any respective record or when records located are subsequently determined to be entirely exempt from disclosure.

(ii) For each quarter hour spent by clerical personnel in searching for and retrieving a requested record, the fee shall be $2.25. When the search and retrieval cannot be performed entirely by clerical personnel—for example, when the identification of records within the scope of the request requires the use of professional personnel—the fee shall be $4.50 for each quarter hour of search time spent by such professional personnel. When the time of managerial personnel is required, the fee shall be $7.50 for each quarter hour of time spent by such managerial personnel.

(iii) For computer searches of records, which may be undertaken through the use of existing programming, requesters shall be charged the actual direct costs of conducting the search, although certain requesters (as defined in paragraph (c)(2) of this section) shall be entitled to the cost equivalent of two hours of manual search time without charge. These direct costs shall include the cost of operating a central processing unit for that portion of operating time that is directly attributable to searching for records responsive to a request, as well as the costs of operator/programmer salary apportionable to the search (at no more than $4.50 per quarter hour of time so spent). The Office is not required to alter or develop programming to conduct a search.

(2) Duplication. Duplication fees shall be assessed with respect to all requesters, subject to the limitations of paragraph (c) of this section. For a paper photocopy of a record (no more than one copy of which need be supplied), the fee shall be $0.10 per page. For other methods of duplication, the Office shall charge the actual direct costs of duplicating a record.

(3) Review. Review fees shall be assessed with respect to only those requesters who seek records for a commercial use, as defined in paragraph (j)(5) of this section. For each quarter hour spent by agency personnel in reviewing a requested record for possible disclosure, the fee shall be $4.50, except
