to bear the following costs in connection with the prosecution of any misdemeanor or felony domestic violence offense:
(i) The cost associated with filing criminal charges against a domestic violence offender, or
(ii) The costs associated with issuing or serving a warrant, protection order and/or witness subpoena arising from the incident that is the subject of the arrest or criminal prosecution, or
(2) Assures that its laws, policies and practices will be in compliance with these requirements by September 13, 1996. (Section 2006.)

§ 90.54 Allocation of funds.
(a) 4% of the total amounts appropriated for this Program under section 2002(b) shall be available for grants directly to Indian tribal governments.
(b) Indian tribal governments may make individual applications, or apply as a consortium.
(c) Funding limits the number of awards. The selection process will be sensitive to the differences among tribal governments and will take into account the applicants’ varying needs in addressing violence against women.

§ 90.55 Matching requirements.
(a) A grant made to an Indian tribal government under this subpart C may not be expended for more than 75% of the total costs of the individual projects described in the application. Section 2002(g). A 25% non-Federal match is required. This 25% match may be cash or in-kind services. Applicants are expected to submit a narrative that identifies the source of the match.
(b) In-kind match may include donations of expendable equipment, office supplies, workshop or classroom materials, work space, or the monetary value of time contributed by professional and technical personnel and other skilled and unskilled labor if the services they provide are an integral and necessary part of a funded project. The value placed on loaned or donated equipment may not exceed its fair rental value. The value placed on donated services must be consistent with the rate of compensation paid for similar work in the organization or the labor market. Fringe benefits may be included in the valuation. Volunteer services must be documented and, to the extent feasible, supported by the same methods used by the recipient organization for its own employees. The value of donated space may not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately owned building in the same locality. The basis for determining the value of personal services, materials, equipment, and space must be documented.
(c) The match expenditures must be committed for each funded project and may be derived from funds appropriated by the Congress for the activities of any agency of an Indian tribal government or the Bureau of Indian Affairs performing law enforcement functions on any Indian lands. Nonprofit, nongovernmental victim services programs funded through subgrants are exempt from the matching requirement; all other subgrantees must provide a 25% match and reflect how the match will be used.
(d) All funds designated as match are restricted to the same uses as the Violence Against Women Program funds and must be expended within the grant period. The applicant must ensure that match is identified in a manner that guarantees its accountability during an audit.

§ 90.56 Non-supplantation.
Federal funds received under this part shall be used to supplement, not supplant funds that would otherwise be available to State and local public agencies for expenditure on activities described in this part.

§ 90.57 Application content.

(b) Programs. (1) Applications must set forth programs and projects for a one year period which meet the purposes and criteria of the grant program set out in section 2001(b) and §90.12.
