PART 904—STATE CRIMINAL HISTORY RECORD SCREENING STANDARDS

§ 904.1 Purpose and authority.

Pursuant to the National Crime Prevention and Privacy Compact (Compact), title 42, U.S.C., chapter 140, subchapter II, section 14616, Article IV (c), the Compact Council hereby establishes record screening standards for criminal history record information received by means of the III System for noncriminal justice purposes.

§ 904.2 Interpretation of the criminal history record screening requirement.

Compact Article IV(c) provides that “any record obtained under this Compact may be used only for the official purposes for which the record was requested.” Further, Article III(b)(1)(C) requires that each Party State appoint a Compact officer who shall “regulate the in-State use of records received by means of the III System from the FBI or from other Party States.” To ensure compliance with this requirement, Compact Officers receiving records from the FBI or other Party States are specifically required to “ensure that record entries that may not legally be used for a particular noncriminal justice purpose are deleted from the response and, if no information authorized for release remains, an appropriate ‘no record’ response is communicated to the requesting official.” Compact Article IV(c)(3).

§ 904.3 State criminal history record screening standards.

The following record screening standards relate to criminal history record information received for noncriminal justice purposes as a result of a national search subject to the Compact utilizing the III System.

(a) The State Criminal History Record Repository or an authorized agency in the receiving state will complete the record screening required under § 904.2 for all noncriminal justice purposes.
