(b) Wage determination includes any determination of minimum wage rates or fringe benefits made pursuant to the provisions of sections 2(a) and/or 4(c) of the Act for application to the employment in a locality of any class or classes of service employees in the performance of any contract in excess of $2,500 which is subject to the provisions of the Service Contract Act of 1965. (i) Wage Determinations OnLine (WDOL) means the Government Internet Web site for both Davis-Bacon Act and Service Contract Act wage determinations available at http://www.wdol.gov. §4.1b Payment of minimum compensation based on collectively bargained wage rates and fringe benefits applicable to employment under predecessor contract.

(a) Section 4(c) of the Service Contract Act of 1965 as amended provides special minimum wage and fringe benefit requirements applicable to every contractor and subcontractor under a contract which succeeds a contract subject to the Act and under which substantially the same services as under the predecessor contract are furnished in the same locality. Section 4(c) provides that no such contractor or subcontractor shall pay any service employee employed on the contract work less than the wages and fringe benefits provided for in a collective bargaining agreement as a result of arms-length negotiations, to which such service employees would have been entitled if they were employed under the predecessor contract, including accrued wages and fringe benefits and any prospective increases in wages and fringe benefits provided for in such collective bargaining agreement. If, however, the Secretary finds after a hearing in accordance with the regulations set forth in §4.10 of this subpart and parts 6 and 8 of this title that in any of the foregoing circumstances such wages and fringe benefits are substantially at variance with those which prevail for service of a character similar in the locality, those wages and/or fringe benefits in such collective bargaining agreement which are found to be substantially at variance shall not apply, and a new wage determination shall be issued. If the contract has been awarded and work begun prior to a finding that the wages and/or fringe benefits in a collective bargaining agreement are substantially at variance with those prevailing in the locality, the payment obligation of such contractor or subcontractor with respect to the wages and fringe benefits contained in the new wage determination shall be applicable as of the date of the Administrative Law Judge’s decision or, where the decision is reviewed by the Administrative Review Board, the date of the decision of the Administrative Review Board. (See also §4.163(c).)

(b) Pursuant to section 4(b) of the Act, the application of section 4(c) is made subject to the following variation in the circumstances and under the conditions described: The wage rates and fringe benefits provided for in any collective bargaining agreement applicable to the performance of work under
