(e) If a certificate is denied, notice of such denial shall be sent to the employer, stating the reason or reasons for the denial. Such denial shall be without prejudice to the filing of any subsequent application.

§ 519.15 Conditions governing issuance of full-time student certificates.

Certificates authorizing the employment of full-time students at subminimum wage rates shall not be issued unless the following conditions are met:

(a) Full-time students are available for employment at subminimum rates; the granting of a certificate is necessary in order to prevent curtailment of opportunities for employment.

(b) The employment of full-time students will not create a substantial probability of reducing the full-time employment opportunities for persons other than those employed under such certificates.

(c) Abnormal labor conditions such as a strike or lockout do not exist in the units of the campus for which a full-time student certificate is requested.

(d) The data given on the application are accurate and based on available records.

(e) There are no serious outstanding violations of the provisions of a full-time student certificate previously issued to the employer, nor have there been any serious violations of the Fair Labor Standards Act (including Child-Labor Regulation No. 3 and the Hazardous Occupations Orders published in part 570 of this chapter) which provide reasonable grounds to conclude that the terms of a certificate may not be complied with, if issued.

(f) The subminimum wage rate proposed to be paid full-time students under temporary authorization or under certificate is not less than 85 percent of the minimum wage applicable under section 6 of the Act.

(g) Full-time students are not to be employed by an institution of higher education at subminimum wages under this subpart in unrelated trades or businesses as defined and applied under sections 511 through 515 of the Internal Revenue Code, such as apartment houses, stores, or other businesses not primarily catering to the students of the institution.

(h) Certificates will not be issued where such issuance will result in a reduction of the wage rate paid to a current employee, including current student employees.

§ 519.16 Terms and conditions of employment under full-time student certificates and under temporary authorization.

(a) A full-time student certificate will not be issued for a period longer than 1 year, nor will it be issued retroactively. It shall specify its effective and expiration dates. A copy of the certificate shall be posted during its effective period in a conspicuous place or places in the institution of higher education readily visible to all employees, for example, adjacent to the time clock or on the bulletin board used for notices to the employees. If temporary authorization is in effect under paragraph (a) of §519.14, a notice thereof shall be similarly posted during the effective period of such authorization.

(b) Full-time students may not be employed under a certificate at less than 85 percent of the minimum wage applicable under section 6 of the Act.

(c) An institution of higher education shall not employ full-time students at subminimum wages under this subpart in unrelated trades or businesses as defined and applied under sections 511 through 515 of the Internal Revenue Code, such as apartment houses, stores, or other businesses not primarily catering to the students of the institution.

(d) An institution of higher education subject to a finding by the Secretary that it is in violation of the requirements of section 14(b)(3) of the Act or of this subpart must be issued a full-time student certificate before it can employ full-time students at wages below those required by section 6 of the Act. The Administrator or his/her authorized representative will not issue a full-time student certificate to such an institution without adequate assurances and safeguards to insure that the violations found by the Secretary will not continue.

(e) Full-time students shall not be permitted to work at subminimum
§ 519.17 Records to be kept.

(a) The employer shall designate each worker employed as a full-time student under a full-time student certificate at subminimum wages, as provided under part 516 of this chapter.

(b)(1) In addition to the records required under part 516 of this chapter and this subpart, the employer shall keep the records specified in paragraphs (b)(2) and (3) of this section specifically relating to full-time students employed at subminimum wages.

(2) The institution shall obtain at the time of hiring and keep in its records information that the employee is its full-time student at the physical location of the institution in accordance with its accepted definition of a full-time student. During a period between attendance at different schools not longer than the usual summer vacation, the acceptance by the institution of the full-time student for its next term will satisfy the requirements of (b)(2) of this section.

(3) An institution of higher education shall maintain records showing the total number of all full-time students of the type defined in § 519.12(a) employed at the campus of the institution at less than the minimum wage otherwise applicable under the Act, and the total number of all employees at the campus to whom the minimum wage provision of the Act applies.

§ 519.18 Amendment or replacement of a full-time student certificate.

In the absence of an objection by the employer (which may be resolved in the manner provided in part 528 of this chapter) the authorized officer upon his/her own motion may amend the provisions of a certificate when it is necessary by reason of the amendment of these regulations, or may withdraw a certificate and issue a replacement certificate when necessary to correct...
