(b) If the amount to be paid periodically by the employer into the fund or trust to be distributed to the employees is a fixed sum;

(c) If periodic payments of minimum amounts to the employees are guaranteed by the employer;

(d) If any individual employee’s share, by the terms of the plan or trust, is set at a predetermined fixed sum or is so limited as to provide in effect for the payment of a fixed sum, or is limited to or set at a predetermined specified rate per hour or other unit of work or worktime;

(e) If the employer’s contributions or allocations to the fund or trust to be distributed to the employees are based on factors other than profits such as hours of work, production, efficiency, sales or savings in cost.

§ 549.3 Distinction between plan and trust.

As used in this part:

(a) Profit-sharing plan means any such program or arrangement as qualifies hereunder which provides for the distribution by the employer to his employees of their respective shares of profits;

(b) Profit-sharing trust means any such program or arrangement as qualifies under this part which provides for the irrevocable deposit by the employer of his employees’ distributive shares of profits with a trustee for deferred distribution to such employees of their respective shares after a stated period of time or upon the occurrence of appropriate contingencies specified in the plan or trust: Provided, however, That the right of an employee to receive his share is not made dependent upon his continuing in the employ of the employer after the period for which the determination of profits has been made.
