§ 780.805 Statutory provisions.

Section 13(b)(15) of the Fair Labor Standards Act exempts from the overtime requirements of section 7:

Any employee engaged in ginning of cotton for market, in any place of employment located in a county where cotton is grown in commercial quantities, or in the processing of sugar beets, sugar-beet molasses, sugarcane, or maple sap, into sugar (other than refined sugar) or syrup. The limited overtime exemptions provided for cotton ginning and for sugar processing under sections 7(c) and 7(d) (see part 526 of this chapter) are not discussed in this subpart.

§ 780.802 What determines application of the exemption.

It is apparent from the language of section 13(b)(15) that the application of this exemption depends upon the nature and purpose of the work performed by the individual employee for whom exemption is sought, and in the case of ginning of cotton on the location of the place of employment where the work is done and other factors as well. It does not depend upon the character of the business of the employer. A determination of whether an employee is exempt therefore requires an examination of that employee's duties. Some employees of the employer may be exempt while others may not.

§ 780.803 Basic conditions of exemption; first part, ginning of cotton.

Under the first part of section 13(b)(15) of the Act, the ginning of cotton, all the following conditions must be met in order for the exemption to apply to an employee:

(a) He must be "engaged in ginning."
(b) The commodity ginned must be cotton.
(c) The ginning of the cotton must be "for market."
(d) The place of employment in which this work is done must be "located in a county where cotton is grown in commercial quantities."

The following sections discuss the meaning and application of these requirements.
