

§ 1952.96

Federal authority reinstated, all Federal standards, including any standards promulgated or modified during the 18(e) period, would be federally enforceable in that State.

(d) As required by section 18(f) of the Act, OSHA will continue to monitor the operations of the South Carolina State program to assure that the provisions of the State plan are substantially complied with and that the program remains at least as effective as the Federal program. Failure by the State to comply with its obligations may result in the revocation of the final determination under section 18(e), resumption of Federal enforcement, and/or proceedings for withdrawal of plan approval.

§ 1952.97 Changes to approved plan.

(a) *Legislation.* (1) On March 29, 1994, the Assistant Secretary approved South Carolina's revised statutory penalty levels which are the same as the revised Federal penalty levels contained in section 17 of the Act as amended on November 5, 1990.

(2) [Reserved]

(b) *The Voluntary Protection Program.* On June 24, 1994, the Assistant Secretary approved South Carolina's plan supplement, which is generally identical to the Federal STAR Voluntary

Protection Program. South Carolina's "Palmetto" VPP is limited to the STAR Program in general industry, excludes the MERIT AND DEMONSTRATION Programs and excludes the construction industry. Also, injury rates must be at or below 50 percent of the State industry average rather than the National industry average.

(c) *Temporary labor camps/field sanitation.* Effective February 3, 1997, the Assistant Secretary approved South Carolina's plan amendment, dated August 1, 1996, relinquishing coverage for the issues of field sanitation (29 CFR 1928.110) and temporary labor camps (29 CFR 1910.142) in agriculture (except for agricultural temporary labor camps associated with egg, poultry or red meat production, or the post-harvest processing of agricultural or horticultural commodities.) The Employment Standards Administration, U.S. Department of Labor, has assumed responsibility for enforcement of these Federal OSHA standards in agriculture in South Carolina pursuant to Secretary of Labor's Order 5-96, dated December 27, 1996.

Subpart D—Oregon

§ 1952.100 Description of the plan as initially approved.

(a)(1) The plan identifies the Oregon Workmen's Compensation Board as the State agency designated to administer the plan. It adopts the definition of occupational safety and health issues expressed in § 1902.2(c)(1) of this chapter. The plan contains a standards comparison of existing and proposed State standards with Federal standards. All proposed standards except those found in §§ 1910.13, 1910.14, 1910.15, and 1910.16 (ship repairing, shipbuilding, ship breaking and longshoring) will be adopted and enforced after public hearings within 1 year following approval of the plan.

(2) The plan provides a description of personnel employed under a merit system; the coverage of employees of political subdivisions; procedures for the development and promulgation of standards; procedures for prompt and effective standards setting action for the protection of employees against
