disclosure is not required in the public interest. The material in question shall be served on the Secretary but need not be served on any other party to the proceeding. If the Commission finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Commission’s procedures under the Freedom of Information Act, part 2201.

§ 2204.303 Documentation of fees and expenses.

The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount paid or payable by the applicant or by any other person or entity for the services provided. The Commission may require the applicant to provide vouchers, receipts, or other substantiation for any fees or expenses claimed.

§ 2204.303 Answer to application.

(a) Within 30 days after service of an application, the Secretary shall file an answer to the application.

(b) If the Secretary and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted upon request.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of the Secretary’s position. If the answer is based on any alleged facts not already in the record of the proceeding, the Secretary shall include with the answer either supporting affidavits or a request for further proceedings under § 2204.307.
