

Plan benefits are fully insured pursuant to insurance contracts purchased with premium payments derived half from employee contributions (which the employer forwards within three months of receipt) and half from the general assets of each participating employer. Refunds to the plan are paid to participating employees within three months of receipt as provided in the plan and as described to each participant upon entering the plan. The trade association holds the insurance contracts. A trust acts as a conduit for payments, receiving premium payments from participating employers and paying the insurance company. The plan appoints the trade association as its plan administrator. The association, as plan administrator, provides summary plan descriptions to participants and beneficiaries, enlisting the help of participating employers in carrying out this distribution. The plan administrator also makes copies of certain plan documents available to the plan's principal office and such other places as necessary to give participants reasonable access to them. The plan administrator files with the Secretary an annual report covering activities of the plan, as required by the Act and such regulations as the Secretary may issue. The exemption provided by this section applies because the conditions of paragraph (b) have been satisfied.

(2) Assume the same facts as paragraph (d)(1) of this section except that the premium payments for the insurance company are paid from the trust to an independent insurance brokerage firm acting as the agent of the insurance company. The trade association is the holder of the insurance contract. The plan appoints an officer of the participating employer as the plan administrator. The officer, as plan administrator, performs the same reporting and disclosure functions as the administrator in paragraph (d)(1) of this section, enlisting the help of the association in providing summary plan descriptions and necessary information. The exemption provided by this section applies.

(3) The facts are the same as paragraph (d)(1) of this section except the welfare plan has 125 participants at the beginning of the plan year. The exemp-

tion provided by this section does not apply because the plan had 100 or more participants at the beginning of the plan year. See, however, § 2520.104-43.

(4) The facts are the same as paragraph (d)(2) of this section except the welfare plan has 125 participants. The exemption provided by this section does not apply because the plan had 100 or more participants at the beginning of the plan year. See, however, § 2520.104-43.

(e) *Applicability date.* For purposes of paragraph (b)(3) of this section, the arrangement may continue to use an entity (such as a trade association) as the conduit for the payment of insurance premiums to the insurance company for reporting years of the arrangement beginning before January 1, 2001.
