BARACK OBAMA

THE WHITE HOUSE,

Presidential Determination No. 2009–28 of September 11, 2009

Imports of Certain Passenger Vehicle and Light Truck Tires From the People’s Republic of China

Memorandum for the Secretary of Commerce[,] the Secretary of Labor[,] and the United States Trade Representative

On July 9, 2009, the United States International Trade Commission (USITC) submitted a report to me that contained a determination pursuant to its investigation under section 421 of the Trade Act of 1974, as amended (the “Trade Act”), that certain passenger vehicle and light truck tires from the People’s Republic of China (China) are being imported into the United States in such increased quantities or under such conditions as to cause or threaten to cause market disruption to the domestic producers of like or directly competitive products.

By proclamation I have issued today (the “proclamation”), and after considering all relevant aspects of the investigation, I have proclaimed actions of the type described in section 421(a) of the Trade Act. I have determined that the most appropriate action is application of an additional duty on imports of certain passenger vehicle and light truck tires from China, as defined in paragraph 4 of the proclamation. I have also determined that such action shall be in effect for a period of 3 years.
