any days the miner did not work even though able to work. If an injured or ill employee receives scheduled follow-up medical treatment or observation which results in the loss of a full workday solely because of the unavailability of professional medical personnel, it will not be counted as a day of restricted work activity. Days of restricted work activity end as the result of any of the following:

(i) The miner returns to his regularly scheduled job and performs all of its duties for a full day or shift;

(ii) The miner is permanently transferred to another permanent job (which shall be reported under Item 28, Permanently Transferred or Terminated). If this happens, even though the miner could not perform this original job any longer, the Days of Restricted Work Activity will stop; or

(iii) The miner is terminated or leaves the mine. (Termination shall also be reported under Item 28, Permanently Transferred or Terminated).

§ 50.30 Preparation and submission of MSHA Form 7000–2—Quarterly Employment and Coal Production Report.

(a) Each operator of a mine in which an individual worked during any day of a calendar quarter shall complete a MSHA Form 7000–2 in accordance with the instructions and criteria in §50.30–1 and submit the original to the MSHA Office of Injury and Employment Information, P.O. Box 25367, Denver Federal Center, Denver, Colo. 80225, within 15 days after the end of each calendar quarter. These forms may be obtained from the MSHA District Office. Each operator shall retain an operator's copy at the mine office nearest the mine for 5 years after the submission date. You may also submit reports by facsimile, 888–231–5515. To file electronically, follow the instructions on MSHA Internet site, http://www.msha.gov. For assistance in electronic filing, contact the MSHA help desk at 877–778–6055.

(b) Each operator of a coal mine in which an individual worked during any day of a calendar quarter shall report coal production on Form 7000–2.

§ 50.30–1 General instructions for completing MSHA Form 7000–2.

(a) MSHA I.D. Number is the 7-digit number assigned to the mine operation by MSHA. Any questions regarding the appropriate I.D. number to use should be directed to your local MSHA District Office.

(b) Calendar Quarter: First quarter is January, February, and March. Second quarter is April, May, and June. Third quarter is July, August, and September. Fourth quarter is October, November, and December.

(c) County is the name of the county, borough, or independent city in which the operation is located.

(d) Operation Name is the specific name of the mine or plant to which the MSHA I.D. number was assigned and for which the quarterly employment report is being submitted.

(e) Company Name is the name of the operating company that this report pertains to.

(f) Mailing Address is the address of the mine office where the quarterly employment report is to be retained. This should be as near the operation as possible.

(g) Employment, Employee Hours, and Coal Production—(1) Operation Sub-Unit:

(1) Underground Mine: Report data for your underground workers on the first line. If you have personnel working at the surface of your underground mine, report data for those persons on the second line.

(2) Surface Mine (Including Shops and Yards): Report data on the appropriate line, employment and coal production for the mining operation. For surface mining sub-units 03, 04, 05 and 06, include all work associated with shops and yards.

(3) Mill Operations, Preparation Plants, Breakers: Report data on all persons employed at your milling (crushing, sizing, grinding, concentrating, etc.) operation, preparation plant, or breaker, including those working in associated shops and yards. (Do not include personnel reported in
