§ 942.700 Tennessee Federal program.

(a) This part contains all rules that are applicable to surface coal mining operations in Tennessee which have been adopted under the Surface Mining Control and Reclamation Act of 1977.

(b) Certain of the rules in this part cross-reference pertinent parts of the permanent program regulations in this chapter. The full text of a cross-referenced rule is in the permanent program rule cited under the relevant section of this part.

(c) This part applies to all surface coal mining operations in Tennessee conducted on non-Federal and non-Indian lands. To the extent required by part 740 of this chapter, this part also applies to operations on Federal lands in Tennessee.

§ 942.701 General.

(a) (1) Except as provided in paragraphs (a)(2) and (a)(3) of this section, §§700.5, 700.11, 700.12, 700.13, 700.14, 700.15 and part 701 of this chapter shall apply to surface coal mining and reclamation operations.

(2) The definition of support facilities in §701.5 of this chapter shall not apply to coal preparation plants not located within the permit area of a mine.

(3) The definitions of surface coal mining operations in §700.5, and coal preparation or coal processing and coal preparation plant in §701.5 of this chapter shall include facilities which leach, chemically process, or physically process coal.

(b) Surface coal mining and reclamation operations in Tennessee which do not have a permanent program permit issued by the State of Tennessee prior to the effective date of this program, but which filed a permit application on a timely basis and were allowed to operate under the Tennessee State program, may continue to operate until the Office issues or denies a permit if they: (1) Comply with Subchapter B of this chapter until issuance or denial of a permit under this program; (2) authorize transfer to OSM of any permit application pending with the State regulatory authority; and (3) provide to
