

### §5.3

issued by the Treasury Department as a payment agency (including salary payments to Treasury Department employees).

(2) This part does not apply to tax debts nor to any debt for which there is an indication of fraud or misrepresentation, as described in §900.3 of the FCCS, unless the debt is returned by the Department of Justice to the Treasury Department for handling.

(3) This part does not apply to the Financial Management Service when acting on behalf of other Federal agencies and states to collect delinquent debt referred to the Financial Management Service for collection action as required or authorized by Federal law. See 31 CFR part 285.

(4) Nothing in this part precludes collection or disposition of any debt under statutes and regulations other than those described in this part. See, for example, 5 U.S.C. 5705, Advancements and Deductions, which authorizes Treasury entities to recover travel advances by offset of up to 100% of a Federal employee's accrued pay. See, also, 5 U.S.C. 4108, governing the collection of training expenses. To the extent that the provisions of laws, other regulations, and Treasury Department enforcement policies differ from the provisions of this part, those provisions of law, other regulations, and Treasury Department enforcement policies apply to the remission or mitigation of fines, penalties, and forfeitures, and debts arising under the tariff laws of the United States, rather than the provisions of this part.

(c) *Additional policies and procedures.* Treasury entities may, but are not required to, promulgate additional policies and procedures consistent with this part, the FCCS, and other applicable Federal law, policies, and procedures.

(d) *Duplication not required.* Nothing in this part requires a Treasury entity to duplicate notices or administrative proceedings required by contract, this part, or other laws or regulations.

(e) *Use of multiple collection remedies allowed.* Treasury entities and other Federal agencies may simultaneously use multiple collection remedies to collect a debt, except as prohibited by law. This part is intended to promote

### 31 CFR Subtitle A (7–1–10 Edition)

aggressive debt collection, using for each debt all available collection remedies. These remedies are not listed in any prescribed order to provide Treasury entities with flexibility in determining which remedies will be most efficient in collecting the particular debt.

#### §5.3 Do these regulations adopt the Federal Claims Collection Standards (FCCS)?

This part adopts and incorporates all provisions of the FCCS. This part also supplements the FCCS by prescribing procedures consistent with the FCCS, as necessary and appropriate for Treasury Department operations.

#### Subpart B—Procedures To Collect Treasury Debts

#### §5.4 What notice will Treasury entities send to a debtor when collecting a Treasury debt?

(a) *Notice requirements.* Treasury entities shall aggressively collect Treasury debts. Treasury entities shall promptly send at least one written notice to a debtor informing the debtor of the consequences of failing to pay or otherwise resolve a Treasury debt. The notice(s) shall be sent to the debtor at the most current address of the debtor in the records of the Treasury entity collecting the debt. Generally, before starting the collection actions described in §§5.5 and 5.9 through 5.17 of this part, Treasury entities will send no more than two written notices to the debtor. The purpose of the notice(s) is to explain why the debt is owed, the amount of the debt, how a debtor may pay the debt or make alternate repayment arrangements, how a debtor may review documents related to the debt, how a debtor may dispute the debt, the collection remedies available to Treasury entities if the debtor refuses to pay the debt, and other consequences to the debtor if the debt is not paid. Except as otherwise provided in paragraph (b) of this section, the written notice(s) shall explain to the debtor:

(1) The nature and amount of the debt, and the facts giving rise to the debt;

(2) How interest, penalties, and administrative costs are added to the
