§ 206.10

appeal from an agency. Based on this review, the Board may decide additional investigation is required. The Board may request an agency and/or the Service to meet with the Board as part of the review process.

(f) *Appeal finding.* A written majority decision will be rendered by the Appeals Board within 30 days of receipt of the appeal. The Board may extend this period for an additional period, not to exceed 30 days, if required. The Appeals Board will notify the Commissioner and the agency of the decision. The decision of the Board whether to uphold the Notice of Deficiency, to overturn the Notice of Deficiency, or to mandate some other action will be stated in the finding. Other action mandated may include a reduced charge, a deferral of the charge, an alternate solution to cash management improvement, or a combination of these actions. The basis of the decision, the amount of the charge, and the effective date of the charge will be stated in the finding. The effective date of the charge may be retroactive to the date indicated in the Notice of Deficiency.

(g) Any terms related to charge deferral shall be stated; the Service and an agency will be required to submit evidence of compliance to such terms at a future specified date. At this future time, the Appeals Board will review the evidence of compliance. Based on this evidence, the Board will decide whether to impose a charge.

§ 206.9 Charges.

(a) Within 30 days of the effective date of the charge or the appeals decision, an agency must submit appropriate accounting information to the Service's Assistant Commissioner, Federal Finance. The charge will be calculated following procedures outlined in I TFM 6-8000, and will be assessed for each month that noncompliance continues.

(b) *Collection noncompliance.* In the case of cash management collection noncompliance, an agency will absorb the charge from amounts appropriated or otherwise made available to carry out the program to which the collections relate. Charges collected from an executive agency in the case of cash management collection noncompliance

will be deposited in the Cash Management Improvements Fund as outlined in § 206.10.

(c) *Payment noncompliance.* [Reserved]

(d) If an agency does not voluntarily pay the charge assessed under § 206.9(a), the Service will debit the appropriate account automatically. By failing to pay voluntarily the charges as required by the Deficit Reduction Act of 1984, an agency will be deemed to authorize the automatic debit to its account.

(e) The Commissioner will formally terminate the charge when the Commissioner has determined that an agency has complied. In addition, on an annual basis, the Commissioner will review an agency's performance and calculation of the charge, and will notify an agency in writing of any changes to the amount being charged.

§ 206.10 Operation of and payments from the Cash Management Improvements Fund.

(a) The Cash Management Improvements Fund (Fund) will be operated as a revolving fund by the Service. Charges assessed under § 206.9(a) for cash management collection noncompliance will be deposited into the Fund according to the Deficit Reduction Act of 1984. The Service will also disburse any payments from the Fund based on projects selected by a project selection and approval committee.

(b) *Committee composition.* The committee will consist of three members—two permanent members and one temporary member. The permanent members will be the Commissioner and the Assistant Commissioner, Federal Finance, of the Service. The temporary committee member will be a cash management official from an agency other than an agency being considered for funds. The order of agency assignment to the Committee will be published in a TFM Bulletin, when funds are first deposited to the Fund. Decisions of the project selection and approval committee cannot be appealed. Agencies will be notified of any available amounts in the Fund and requirements to apply for such monies through a TFM bulletin.

(c) As provided by 31 U.S.C. 3720, sums in the Fund will be available without fiscal year limitation for the

payment of expenses incurred in developing improved methods of collection and deposit and the expenses incurred in carrying out collections and deposits using such methods, including the costs of personal services and the costs of the lease or purchase of equipment and operating facilities.

(d) In addition to all reports required by law and regulation, for each fiscal year during which there is a balance in Fund, the Service will prepare and publish, by the 60th day following the close of the fiscal year, a full report on payments, receipts, disbursements, balances of the Fund, and full disclosure on projects financed by the Fund.
