§ 223.8 Financial reports.

(a) Every such company will be required to file with the Assistant Commissioner, Comptroller on or before the last day of January of each year, a statement of its financial condition made up as of the close of the preceding calendar year upon the annual statement blank adopted by the National Association of Insurance Commissioners, signed and sworn to by its president and secretary.

On or before the last days of April, July and October of each year, every such company shall file a financial statement with the Assistant Commissioner, Comptroller as of the last day of the preceding month. A form is prescribed by the Treasury for this purpose. The quarterly statement form of the National Association of Insurance Commissioners when modified to conform to the Treasury’s requirements, may be substituted for the Treasury’s form. The quarterly statement will be signed and sworn to by the company’s president and secretary or their authorized designees.

(b) Every such company shall furnish such other exhibits or information, and in such manner as the Secretary of the Treasury may at any time require.

Such reinsurance shall not be in excess of the underwriting limitation of the reinsuring company. Where reinsurance is contemplated, Federal agencies may accept a bond from the direct writing company in satisfaction of the total bond requirement even though it may exceed the direct writing company’s underwriting limitation. Within the 45 day period, the direct writing company shall furnish to the Federal agency any necessary reinsurance agreements. However, a Federal agency may, at its discretion, require that reinsurance be obtained within a lesser period than 45 days, and may require completely executed reinsurance agreements in hand before making a final determination that any bond is acceptable.
