GENERAL PROVISIONS

§ 240.1 Scope of regulations.

(a) The regulations in this part prescribe the requirements for indorsement and the conditions for payment of checks drawn on the United States Treasury. These regula-

tions also establish procedures for collection of amounts due the United States Treasury based on claims arising from the breach of presentment guarantees by presenting banks and other indorsers of Treasury checks when checks bearing material defects or alterations or forged disbursing officer (drawer) signatures are presented for payment and are paid.

(b) Standards contained in this regulation supersede existing Federal common law to the extent that they are inconsistent with Federal common law rules relating to counterfeit checks. Under the provisions of this regulation, the risk of loss on certain counterfeit checks is placed on presenting banks and other indorsers unless Treasury fails to timely reclaim on a check payment in accordance with 31 U.S.C. 3712(a) and §240.8 of this regulation. Treasury will reclaim on counterfeit checks that are deemed paid under §240.6(d) of this regulation when a presenting bank or other indorser fails to make all reasonable efforts to ensure that a check is an authentic Treasury check.

(c) Nothing in this regulation supercedes the rights or obligations of Treasury or any other person that are set forth in Regulation CC, 12 CFR part 229, with respect to substitute checks, as defined therein.

§ 240.2 Definitions.

(a) Administrative offset or offset, for purposes of this section, has the same meaning as defined in 31 U.S.C. 3701(a)(1) and 31 CFR part 285.

(b) Agency means any agency, department, instrumentality, office, commission, board, service, or other establishment of the United States authorized to issue Treasury checks or for which checks drawn on the United States Treasury are issued.

(c) Certifying agency means an agency authorizing the issuance of a payment by a disbursing official in accordance with 31 U.S.C. 3325.

(d) Check or checks means an original check or checks; an electronic check or checks; or a substitute check or checks.

(e) Check payment means the amount paid to a presenting bank by a Federal Reserve Bank.
