§ 306.77 Corepresentatives and fiduciaries.

If there are two or more executors, administrators, guardians or similar representatives, or trustees of an estate, all must unite in the assignment of any securities belonging to the estate. However, when a statute, a decree of court, or the instrument under which the representatives or fiduciaries are acting provides otherwise, assignments in accordance with their authority will be accepted. If the securities have matured or been called and are submitted for redemption for the account of all, or for redemption-exchange or pursuant to an advance refunding or prerefunding offer, and the securities offered in exchange are to be registered in the names of all, no assignment is required.

§ 306.78 Nontransferable securities.

The provisions of this subpart, so far as applicable, govern assignments of Treasury Bonds, Investment Series B-1975-80.

Subpart J—Assignments in Behalf of Private or Public Organizations

§ 306.85 Private corporations and unincorporated associations (including nominees).

Securities registered in the name of, or assigned to, an unincorporated association, or a private corporation in its own right or in a representative or fiduciary capacity, or as nominee, may be assigned in its behalf for any authorized transaction by any duly authorized officer or officers. Evidence, in the form of a resolution of the governing body, authorizing the assigning officer to assign, or to sell, or to otherwise dispose of the securities will ordinarily be required. Resolutions may relate to any or all registered securities

owned by the organization or held by it in a representative or fiduciary capacity. (Form PD 1010, or any substantially similar form, may be used when the authority relates to specific securities; Form PD 1011, or any substantially similar form, may be used for securities generally.) If the officer derives his authority from a charter, constitution or bylaws, a copy, or a pertinent extract therefrom, properly certified, will be required in lieu of a resolution. If the resolution or other supporting document shows the title of an authorized officer, without his name, it must be supplemented by a certificate of incumbency. (Form PD 1014 may be used.)

§ 306.86 Change of name and succession of private organizations.

If a private corporation or unincorporated association changes its name or is lawfully succeeded by another corporation or unincorporated association, its securities may be assigned in behalf of the organization in its new name or that of its successor by an authorized officer in accordance with § 306.85. The assignment must be supported by evidence of the change of name or successorship.

§ 306.87 Partnerships (including nominee partnerships).

An assignment of a security registered in the name of or assigned to a partnership must be executed by a general partner. Upon dissolution of a partnership, assignment by all living partners and by the persons entitled to assign in behalf of any deceased partner's estate will be required unless the laws of the jurisdiction authorize a general partner to bind the partnership by any act appropriate for winding up partnership affairs. In those cases where assignments by or in behalf of all partners are required this fact must be shown in the assignment; otherwise, an affidavit by a former general partner must be furnished identifying all the persons who had been partners immediately prior to dissolution. Upon voluntary dissolution, for any jurisdiction where a general partner may not act in winding up partnership affairs, an assignment by a liquidating partner, as such, must be supported by a

duly executed agreement among the partners appointing the liquidating partner.

§ 306.88 Political entities and public corporations.

Securities registered in the name of, or assigned to, a State, county, city, town, village, school district or other political entity, public body or corporation, may be assigned by a duly authorized officer, supported by evidence of his authority.

§ 306.89 Public officers.

Securities registered in the name of, or assigned to, a public officer designated by title may be assigned by such officer, supported by evidence of incumbency. Assignments for the officer's own apparent individual benefit will not be recognized.

§ 306.90 Nontransferable securities.

The provisions of this subpart apply to Treasury Bonds, Investment Series B-1975-80.

Subpart K—Attorneys in Fact

§ 306.95 Attorneys in fact.

(a) *General.* Assignments by an attorney in fact will be recognized if supported by an adequate power of attorney. Every power must be executed in the presence of an authorized certifying officer under the conditions set out in § 306.45 for certification of assignments. Powers need not be submitted to support redemption-exchanges or exchanges pursuant to advance refunding or prefunding offers where the securities to be issued are to be registered in the same names and forms as appear in the inscriptions or assignments of the securities surrendered. In all other cases, the original power, or a photocopy showing the grantor's autograph signature, properly certified, must be submitted, together with the security assigned on the owner's behalf by the attorney in fact. An assignment by a substitute attorney in fact must be supported by an authorizing power of attorney and power of substitution. An assignment by an attorney in fact or a substitute attorney in fact for the apparent benefit of either will not be accepted un-

less expressly authorized. (Form PD 1001 or 1003, as appropriate, may be used to appoint an attorney in fact. An attorney in fact may use Form PD 1006 or 1008 to appoint a substitute. However, any form sufficient in substance may be used.) If there are two or more joint attorneys in fact or substitutes, all must unite in an assignment, unless the power authorizes less than all to act. A power of attorney or of substitution not coupled with an interest will be recognized until the Bureau receives proof of revocation or proof of the grantor's death or incompetency.

(b) *For legal representatives and fiduciaries.* Assignments by an attorney in fact or substitute attorney in fact for a legal representative or fiduciary, in addition to the power of attorney and of substitution, must be supported by evidence, if any, as required by §§ 306.57(d), 306.66(b), 306.75, and 306.76. Powers must specifically designate the securities to be assigned.

(c) *For corporations or unincorporated associations.* Assignments by an attorney in fact or a substitute attorney in fact in behalf of a corporation or unincorporated association, in addition to the power of attorney and power of substitution, must be supported by one of the following documents certified under seal of the organization, or, if it has no seal, sworn to by an officer who has access to the records:

(1) A copy of the resolution of the governing body authorizing an officer to appoint an attorney in fact, with power of substitution, if pertinent, to assign, or to sell, or to otherwise dispose of, the securities, or

(2) A copy of the charter, constitution, or bylaws, or a pertinent extract therefrom, showing the authority of an officer to appoint an attorney in fact, or

(3) A copy of the resolution of the governing body directly appointing an attorney in fact.

If the resolution or other supporting document shows only the title of the authorized officer, without his name, a certificate of incumbency must also be furnished. (Form PD 1014 may be used.) The power may not be broader than the resolution or other authority.

(d) *For public corporations.* A general power of attorney in behalf of a public
