

§ 337.8 Payment of mortgage insurance premiums.

When certificated debentures are tendered for purchase prior to maturity in order that the proceeds thereof be applied to pay for mortgage insurance premiums, any difference between the amount of the debentures purchased and the amount of the mortgage insurance premium will generally be issued to the owner in the form of a book-entry debenture in the exact amount of such difference, provided it is one dollar (\$1.00) or more. However, if the owner so requests, such difference will be settled with certificated debenture(s), together with a cash adjustment, if any. Such request should be made in writing, before the book-entry debenture in the amount of the difference is issued.

§ 337.9 Payment of final interest.

Final interest on any debenture, whether purchased prior to or redeemed on or after the call or the maturity date, will be paid with the principal. In all cases the payment of principal and final interest will be mailed or directed to the payment address given in the form of advice accompanying the debenture surrendered.

§ 337.10 Payments.

Payments on certificated debentures will be made by fiscal agency check in accordance with part 355 of this chapter, or, upon request, by direct deposit (electronic funds transfer) in accordance with part 370 of this chapter. Information as to the deposit account at the financial institution designated to receive a direct deposit payment shall be provided on the appropriate form(s) designated by the Department.

Subpart B—Book-Entry Debentures**§ 337.11 Original issue and conversions.**

Upon implementation of the book-entry debenture system, to be announced in advance by separate public notice, all new debentures will be issued only in book-entry form in the exact amount payable to the owner. Once issued in book-entry form, a de-

benture may not be converted to certificated form.

§ 337.12 Applicability of TREASURY DIRECT regulations.

The regulations governing the TREASURY DIRECT Book-Entry Securities System (TREASURY DIRECT) (part 357 of this chapter) apply to govern transactions in FHA book-entry debentures, with the following exceptions:

(a) *Securities account.* (See § 357.20 of this chapter.) An account in the book-entry debenture system may be established by the Department of the Treasury upon receipt of the request that a new debenture be issued or that a certificated debenture be converted to book-entry form. The statement of account shall contain information regarding the account as of the date of such statement. It will include a unique account number, but will not include price information.

(b) *Transfers.* (See § 357.22 of this chapter.) A book-entry debenture may be transferred only between accounts established in the FHA book-entry debenture system.

(c) *Debentures announced for call.* Debentures, which by their terms are subject to call, may be called for redemption, in whole or in part, at par and accrued interest, on any interest date on three months' notice. For purposes of a transaction request affecting ownership and/or payment instructions with respect to a debenture announced for call, a proper request must be received not less than twenty (20) calendar days preceding the next payment date. If the twentieth day preceding a payment date falls on a Saturday, Sunday, or a Federal holiday, the last day set for the receipt of a transaction request will be the last business day preceding that date. If a transaction request is received less than twenty (20) calendar days preceding a payment date, the Department may, in its discretion, act on such request if sufficient time remains for processing. If a transaction request is received too late for completion of the requested transaction, principal and final interest on the called debentures will be paid to the owner of record and sent to the payment address of record.
