§ 500.583 News organization offices.
(a) Specific licenses may be issued authorizing all transactions necessary for the establishment and operation of news bureaus in North Korea by U.S. organizations whose primary purpose is the gathering and dissemination of news to the general public.
(b) Transactions that will be authorized include but are not limited to those incident to the following:
(1) Leasing office space and securing related goods and services;
(2) Hiring North Korean nationals to serve as support staff;
(3) Purchasing North Korean-origin goods for use in the operation of the office; and
(4) Paying fees related to the operation of the office in North Korea.
(c) Specific licenses may be issued authorizing transactions necessary for the establishment and operation of news bureaus in the United States by North Korean organizations whose primary purpose is the gathering and dissemination of news to the general public.
(d) The number assigned to a specific license issued pursuant to this section should be referenced in all import documents, and in all funds transfers and other banking transactions through banking institutions organized or located in the United States, in connection with the licensed transactions to avoid the blocking of goods imported from North Korea and the interruption of the financial transactions with North Korea.

§ 500.584 Energy sector projects in North Korea.
Specific licenses may be issued to permit persons subject to U.S. jurisdiction to participate in certain energy sector projects in North Korea in connection with that country’s transition to light-water reactor (“LWR”) power plants. Transactions that may be licensed include those related to LWR power plant design, site preparation, excavation, delivery of essential non-nuclear components including turbines and generators, building construction, the disposition of spent nuclear fuel, and the provision of heavy oil to North Korea.
