

§ 536.408 Alleged change in ownership or control of an entity designated as a specially designated narcotics trafficker.

(a) A change or alleged change in ownership or control of an entity designated as a specially designated narcotics trafficker shall not be the basis for removal of that entity from the list of specially designated narcotics traffickers unless, upon investigation by the Office of Foreign Assets Control and submission of evidence by the entity, it is demonstrated to the satisfaction of the Director of the Office of Foreign Assets Control that the transfer to a bona fide purchaser at arm's length is legitimate and that the entity no longer meets the criteria for designation under § 536.312. Evidence submitted must conclusively demonstrate that all ties with other specially designated narcotics traffickers have been completely severed, and may include, but is not limited to, articles of incorporation; identification of new directors, officers, shareholders, and sources of capital; and contracts evidencing the sale of the entity to its new owners.

(b) Any continuing substantial financial obligations on the part of the new owners to any specially designated narcotics traffickers, including long-term payment plans, leases, or rents, will be considered as evidence of continuing control of the entity by the specially designated narcotics trafficker. Purchase of a designated entity without ongoing substantial financial obligations to a specially designated narcotics trafficker may nonetheless be a basis for subsequent designation of the purchaser, if the transaction is determined materially to assist in or provide financial support for the narcotics trafficking activities of specially designated narcotics traffickers for purposes of § 536.312(b)(2). For example, any acquisition transaction resulting in a direct cash transfer to or other enrichment of a specially designated narcotics trafficker could lead to designation of the purchaser. Mere change in name of an entity will not be considered as constituting a change of the entity's status.

§ 536.409 Credit extended and cards issued by U.S. financial institutions.

The prohibition in § 536.201 on dealing in property in which a specially designated narcotics trafficker has an interest prohibits U.S. financial institutions from performing under any existing credit agreements, including, but not limited to, charge cards, debit cards, or other credit facilities issued by a U.S. financial institution to a person designated under this part.

Subpart E—Licenses, Authorizations, and Statements of Licensing Policy**§ 536.501 Effect of license or authorization.**

(a) No license or other authorization contained in this part, or otherwise issued by or under the direction of the Director of the Office of Foreign Assets Control, shall be deemed to authorize or validate any transaction effected prior to the issuance of the license, unless specifically provided in such license or authorization.

(b) No regulation, ruling, instruction, or license authorizes any transaction prohibited under this part unless the regulation, ruling, instruction, or license is issued by the Office of Foreign Assets Control and specifically refers to this part. No regulation, ruling, instruction, or license referring to this part shall be deemed to authorize any transaction prohibited by any provision of this chapter unless the regulation, ruling, instruction or license specifically refers to such provision.

(c) Any regulation, ruling, instruction, or license authorizing any transaction otherwise prohibited under this part has the effect of removing a prohibition or prohibitions contained in this part from the transaction, but only to the extent specifically stated by its terms. Unless the regulation, ruling, instruction, or license otherwise specifies, such an authorization does not create any right, duty, obligation, claim, or interest in, or with respect to, any property which would not otherwise exist under ordinary principles of law.
