Office of Foreign Assets Control, Treasury

§ 538.406 Exportation of services; performance of service contracts; legal services.

(a) The prohibition on the exportation of services contained in §538.205 applies to services performed on behalf of the Government of Sudan, or where

(b) Unless otherwise specifically provided in a license or authorization issued pursuant to this part, if property (including any property interest) is transferred or attempted to be transferred to the Government of Sudan, such property shall be deemed to be property in which there exists an interest of the Government of Sudan.

(2) The term "marginalized areas in and around Khartoum" means the following official camps for internally displaced persons: Mayo, El Salaam, Wad El Bashir, and Soba.
