The exportation or reexportation of agricultural commodities (including bulk agricultural commodities listed in appendix A to this part 538), medicine, or medical devices to the Government of Sudan, to any individual or entity in an area of Sudan other than the Specified Areas of Sudan, or to persons in third countries purchasing specifically for resale to the foregoing, shall only be made pursuant to a one-year specific license issued by the U.S. Department of the Treasury, Office of Foreign Assets Control, for contracts entered into during the one-year period of the license and shipped within the 12-month period beginning on the date of the signing of the contract. Executory contracts entered into pursuant to paragraph (b)(2) of this section prior to the issuance of the one-year specific license described in this paragraph shall be deemed to have been signed on the date of issuance of that one-year specific license (and, therefore, the exporter is authorized to make shipments under that contract within the 12-month period beginning on the date of issuance of the one-year specific license).

Note 1 to §538.523(a)(2): Consistent with section 906(a)(1) of the Trade Sanctions Reform and Export Enhancement Act of 2000 (22 U.S.C. 7205), each year by the anniversary of its effective date of September 9, 2009, the Office of Foreign Assets Control will determine whether to revoke this general license. Unless revoked, the general license will remain in effect.

Note 2 to §538.523(a)(2): See §§538.417 and 538.418 for additional requirements with respect to transshipments through, and financial transactions in, Sudan.
