[74 FR 61034, Nov. 23, 2009]

§ 560.532 Payment for and financing of exports and reexports of agricultural commodities, medicine, and medical devices.

(a) General license for payment terms. The following payment terms for sales of agricultural commodities and products, medicine, and medical equipment pursuant to §§560.530 and 560.531 are authorized:

1. Payment of cash in advance;
2. Sales on open account, provided that the account receivable may not be transferred by the person extending the credit; or
3. Financing by third-country financial institutions that are neither United States persons nor Government of Iran entities. Such financing may be confirmed or advised by U.S. financial institutions.

(b) Specific licenses for alternate payment terms. Specific licenses may be issued on a case-by-case basis for payment terms and trade financing not authorized by the general license in paragraph (a) of this section for sales pursuant to §560.530. See §501.801(b) of this chapter for specific licensing procedures.

(c) No debits or credits to Iranian accounts on the books of U.S. depository institutions. Nothing in this section authorizes payment terms or trade financing involving debits or credits to Iranian accounts, as defined in §560.320.

(d) Transfers through the U.S. financial system. Any payment relating to a transaction authorized in or pursuant to §560.530 or §560.533 that is routed through the U.S. financial system must reference the relevant Office of Foreign Assets Control license authorizing the payment to avoid the rejection of the transfer. See §560.516(c).

(e) Notwithstanding any other provision of this part, no commercial exportation to Iran may be made with United States Government assistance, including United States foreign assistance, United States export assistance, and any United States credit or guarantees absent a Presidential waiver.

§ 560.533 Brokering sales of agricultural commodities, medicine, and medical devices.

(a) General license for brokering sales by U.S. persons. (b) Specific licensing for brokering sales by non-U.S. persons of bulk agricultural commodities. Specific licenses may be issued on a case-by-case basis to permit United States persons to provide brokerage services on behalf of non-United States, non-Iranian persons for the sale and exportation or reexportation of bulk agricultural commodities to the Government of Iran, entities in Iran or individuals in Iran. Specific licenses issued pursuant to this section will authorize the brokering only of sales that:

NOTE TO §560.533(b)(2): Requests for specific licenses to provide brokerage services under this paragraph must include all of the information described in §560.530(c).

(For example, items classified EAR 99 under the Export Administration Regulations, 15 CFR parts 730 through 774, may in certain instances require a license from the Department of Commerce, Bureau of Industry and Security. See, e.g., 15 CFR 736.2(b)(5), 744.2 through 744.4, 744.7, and 744.10; see also 22 CFR 123.9.)
