This interpretation does not apply to obligations arising from an underlying transaction licensed or otherwise authorized pursuant to this part.

§ 575.408 Offshore transactions.

(a) The prohibitions contained in §§ 575.201 and 575.206 apply to transactions by U.S. persons in locations outside the United States with respect to property in which the U.S. person knows, or has reason to know, that the Government of Iraq has or has had an interest since the effective date.

§ 575.410 Imports of Iraqi goods from third countries; transshipments.

Importation into the United States from third countries of goods, including refined petroleum products, containing raw materials or components of Iraqi origin is prohibited. In light of the universal prohibition in UNSC Resolution 661 on the importation of goods exported from Iraq or Kuwait after August 6, 1990, substantial transformation of Iraqi-origin goods in a third country does not exempt the third-country products from the prohibitions contained in this part.

§ 575.411 Exports to third countries; transshipments.

Exportation of goods or technology (including technical data and other information) from the United States to third countries is prohibited if the exporter knows, or has reason to know, that the goods or technology are intended for transshipment to Iraq (including passage through, or storage in, intermediate destinations). The exportation of goods and technology intended specifically for incorporation or substantial transformation into a third-country product is also prohibited if the particular product is to be used in Iraq, is being specifically manufactured to fill a Iraqi order, or if the manufacturer's sales of the particular product are predominantly to Iraq.
