PART 159—PRIVATE SECURITY CONTRACTORS OPERATING IN CONTINGENCY OPERATIONS

§ 159.1 Purpose.

This part establishes policy, assigns responsibilities and provides procedures for the regulation of the selection, accountability, training, equipping, and conduct of personnel performing private security functions under a covered contract. It also assigns responsibilities and establishes procedures for incident reporting, use of and accountability for equipment, rules for the use of force, and a process...
for administrative action or the removal, as appropriate, of PSCs and PSC personnel.

§ 159.2 Applicability and scope.

This part:
(a) Applies to:
(1) The Office of the Secretary of Defense, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities in the Department of Defense (hereafter referred to as the “DoD Components”).

(2) The Department of State and other U.S. Federal agencies insofar as it implements the requirements of section 862 of Public Law 110–181. Specifically, in areas of operations which require enhanced coordination of PSC and PSC personnel working for U.S. Government (U.S.G.) agencies, the Secretary of Defense may designate such areas as areas of combat operations for the limited purposes of this part. In such an instance, the standards established in accordance with this part would, in coordination with the Secretary of State, expand from covering only DoD PSCs and PSC personnel to cover all U.S.G.-funded PSCs and PSC personnel operating in the designated area.

(b) Prescribes policies applicable to all:
(1) DoD PSCs and PSC personnel performing private security functions during contingency operations outside the United States.

(2) USG-funded PSCs and PSC personnel performing private security functions in an area of combat operations, as designated by the Secretary of Defense.

§ 159.3 Definitions.

Unless otherwise noted, these terms and their definitions are for the purpose of this part.

Area of combat operations. An area of operations designated as such by the Secretary of Defense for the purpose of this part, when enhanced coordination of PSCs working for U.S.G. agencies is required.

Contingency operation. A military operation that is either designated by the Secretary of Defense as a contingency operation or becomes a contingency operation as a matter of law (10 U.S.C. 101(a)(13)). It is a military operation that: a. Is designated by the Secretary of Defense as an operation in which members of the Armed Forces are or may become involved in military actions, operations, or hostilities against an enemy of the United States or against an opposing force; or b. Is created by definition of law. Under 10 U.S.C. 101(a)(13)(B), a contingency operation exists if a military operation results in the (1) call-up to (or retention on) active duty of members of the uniformed Services under certain enumerated statutes (10 U.S.C. 688, 12301(a), 12302, 12304, 12305, 12406, or 331–335); and (2) the call-up to (or retention on) active duty of members of the uniformed Services under any other (non-enumerated) provision of law during war or national emergency declared by the President or Congress. These may include humanitarian or peacekeeping operations or other military operations or exercises.

Contractor. The contractor, subcontractor, grantee, or other party carrying out the covered contract.

Covered contract. A DoD contract for performance of services in an area of contingency operations or a contract of a non-DoD Federal agency for performance of services in an area of combat operations, as designated by the Secretary of Defense;

A subcontract at any tier under such a contract; or

A task order or delivery order issued under such a contract or subcontract.

Also includes contracts or subcontracts funded under grants and subgrants by a Federal agency for performance in an area of combat operations as designated by the Secretary of Defense. Excludes temporary arrangements entered into by non-DoD contractors or grantees for the performance of private security functions by individual indigenous personnel not affiliated with a local or expatriate security company. Such arrangements must still be in compliance with local law.
