§ 22.505

The purpose of this subpart is to supplement other regulations that implement national policy requirements, to the extent that it is necessary to provide additional guidance to DoD grants officers. The other regulations that implement national policy requirements include:

(a) The other parts of the DoDGARs (32 CFR parts 32, 33, and 34) that implement the Governmentwide guidance in OMB Circulars A–102 and A–110 on administrative requirements for grants and cooperative agreements. Those parts address some national policy matters that appear in the OMB Circulars.

(b) DoD regulations other than the DoDGARs.

(c) Other Federal agencies’ regulations.

[63 FR 12164, Mar. 12, 1998, as amended at 70 FR 49464, Aug. 23, 2005]

§ 22.510 Certifications, representations, and assurances.

(a) Certifications—(1) Policy. Certifications of compliance with national policy requirements are to be obtained from recipients only for those national policies where a statute, Executive order, or codified regulation specifically states that a certification is required. Other national policy requirements may be addressed by obtaining representations or assurances (see paragraph (b) of this section). Grants officers should utilize methods for obtaining certifications, in accordance with Executive Order 12866 (3 CFR, 1993 Comp., p. 638), that minimize administration and paperwork.

(2) Procedures. (i) When necessary, grants officers may obtain individual, written certifications.

(ii) Whenever possible, and to the extent consistent with statute and codified regulation, grants officers should identify the certifications that are required for the particular type of recipient and program, and consolidate them into a single certification provision that cites them by reference.

(A) If a grants officer elects to have proposers incorporate certifications by reference into their proposals, he or she must do so in one of the two following ways. When required by statute or codified regulation, the solicitation must include the full text of the certifications that proposers are to provide by reference. In other cases, the grants officer may include language in the solicitation that informs the proposers where the full text may be found (e.g., in documents or computer network sites that are readily available to the public) and offers to provide it to proposers upon request.
