If requested by PFD, the report should summarize the available evidence and applicable theories of recovery and be prepared under § 516.23 of this part. To avoid unnecessary duplication of effort, recovery reports may include and make liberal references to other reports previously prepared on a given case such as the DFARS 209.406-3 (48 CFR 209.406-3) report.

(d) The MACOM PFI coordinator and PFA will monitor all civil fraud recovery

(ii) Nonaward of contract based upon a finding of contractor nonresponsibility. (If this appears to be a valid option, a DFARS 209.406-3 (48 CFR 209.406-3) report must be prepared where contractor nonresponsibility is based on lack of integrity).

(iii) Rescission of contract.

(iv) Revocation of acceptance.

§516.67 Overseas cases of fraud or corruption.

(a) Commanders of overseas major commands will establish procedures, similar to this regulation and consistent with the DFARS, and regulations and directives of their respective unified commands, for reporting and coordination of available remedies in overseas procurement fraud and corruption cases involving foreign firms and individuals. Overseas major commands will also maintain liaison with PFD and provide periodic reports of remedies coordination results.

(b) Overseas suspension and debarment actions are governed by DFARS 209.403 (48 CFR 209.403). The names of all firms and individuals suspended or debarred will be expeditiously forwarded to PFD for inclusion on the List of Parties Excluded From Federal Procurement or NonProcurement Programs.

(c) Overseas cases of fraud or corruption related to the procurement process that involve U.S. firms or U.S. citizens may be referred to PFD for coordination of remedies under this regulation.

(b) PFCRA expands the capability of the government to deter and recover losses from false, fictitious or fraudulent claims and statements. It is also applicable to program fraud and provides an administrative remedy in addition to those otherwise available to the Army in procurement fraud or pay and entitlements fraud cases.

(c) As part of the Army implementation, the Secretary of the Army's duties and responsibilities under PFCRA as Authority Head are delegated to the Army General Counsel. The Chief, Intellectual Property Law Division, is the Army's Reviewing Official within

That authority includes the power to task subordinate investigative agencies to review and report on allegations that are subject to PFCRA. If the Investigative Official concludes that an action under PFCRA is warranted in an Army case, the official will submit a report containing the findings and conclusions of such investigation through PFD to the Army Reviewing Official.

(e) Pursuant to DOD IG guidance, USACIDC will forward appropriate cases that appear to qualify for resolution under PFCRA to the Investigating Official in a timely manner. Additionally, USACIDC will forward current information regarding the status of remedies pending or concluded. USACIDC may obtain remedies information by coordinating with PFD and the cognizant command.

(f) In pay and entitlement or transportation operation fraud cases, USACIDC will coordinate with the Office of the Secretary of the Army, Financial Management, Review and Oversight Directorate (SAFM-RO), to determine the status of any pending or proposed action under the Debt Collection Act. This information, in addition to information obtained under §517.68(e), will be forwarded with appropriate cases to the Investigating Official.
