

Department of the Army, DoD

§ 635.22

incidents are not reported to the Director, USACRC or the DOJ. If an offense occurs meeting the reporting description contained in Appendix C of AR 190-45, that offense code takes precedence over the local offense code. Local offense codes may be included, but explained, in the narrative of the report filed with the USACRC. Use the most descriptive offense code to report offenses.

(c) Whenever local policy requires the Provost Marshal/Director of Emergency Services to list the subject's previous offenses on DA Form 3975, entries will reflect a summary of disposition for each offense, if known.

§ 635.20 Military Police Codes (MPC).

(a) MPCs identify individual Provost Marshal Offices/Directorates of Emergency Services. The Director, USACRC will assign MPCs to Provost Marshal Offices/Directorates of Emergency Services.

(b) Requests for assignment of a MPC will be included in the planning phase of military operations, exercises, or missions when law enforcement operations are anticipated. The request for a MPC will be submitted as soon as circumstances permit, without jeopardizing the military operation to HQDA, Office of the Provost Marshal General (DAPM-MPD-LE). Consistent with security precautions, ACOM, ASCC and DRU will immediately inform HQDA, Office of the Provost Marshal General (DAPM-MPD-LE) when assigned or attached military police units are notified for mobilization, relocation, activation, or inactivation.

(c) When a military police unit is alerted for deployment to a location not in an existing Provost Marshal/Director of Emergency Services' operational area, the receiving ACOM, ASCC, DRU or combatant commander will request assignment of an MPC number from HQDA, Office of the Provost Marshal General (DAPM-MPD-LE) providing the area of operations does not have an existing MPC number. The receiving ACOM, ASCC, DRU or Unified Combatant Commander is further responsible for establishing an operational COPS system for the deployment.

§ 635.21 USACRC control numbers.

(a) Case numbers to support reporting requirements will be assigned directly to each installation via COPS. To ensure accuracy in reporting criminal incidents, USACRC control numbers will be used only one time and in sequence. Every MPR sent to the USACRC will have a USACRC control number reported. Violation of this policy could result in significant difficulties in tracing reports that require corrective action.

(b) If during the calendar year ACOM, ASCC or DRU reassigns control numbers from one installation to another, HQDA, Office of the Provost Marshal General (DAPM-MPD-LE) will be notified. The Director USACRC will receive an information copy of such notification from ACOM, ASCC or DRU's law enforcement operations office.

(c) USACRC control numbers will be issued along with each newly assigned MPC.

(d) When the deploying unit will be located in an area where there is an existing Provost Marshal/Director of Emergency Services activity, the deploying unit will use the MPC number and USACRC control numbers of the host Provost Marshal/Director of Emergency Services.

§ 635.22 Reserve component, U.S. Army Reserve, and Army National Guard personnel.

(a) When in a military duty status pursuant to official orders (Federal status for National Guard) Reserve and National Guard personnel will be reported as active duty. Otherwise they will be reported as civilians.

(b) The DA Form 3975 and DA Form 4833 will be forwarded directly to the appropriate Regional Readiness Command or the Soldier's division commander. A copy of the DA Form 3975 will also be forwarded to Chief, Army Reserve/Commander, United States Army Reserve Command, AFRC-JAM, 1404 Deshler Street, Fort McPherson, GA 30330. The forwarding correspondence will reflect this regulation as the authority to request disposition of the individual.
