§ 643.114 Civil disturbances.

Without reference to higher authority, and when it is found to be in the public interest, MACOM and heads of agencies having command responsibility may grant, without consideration, revocable licenses for joint use of active Army and USAR facilities during civil disturbance for not more than 30 days to the National Guard and to municipal, county, and State officials and law enforcement agencies. Licensees must agree that the privileges granted will be without expense to the DA, that the use will be subject to the control of the officer having jurisdiction over the property, that it will remove its property from the premises when the license is terminated, that it will pay the cost of any services furnished to it by the DA, and, if a non-Federal agency, that it will hold the Government harmless from any damages or claims arising out of the use. Where it is proposed to allow such use beyond 30 days, the proposal must be submitted to HQDA (DAEN-REZ) Washington, DC 20314, for approval. Federal task force commanders, acting under instructions from the Chief of Staff, in a civil disturbance control operation may approve requests for the use of installations under their control (ref. AR 420–74).

§ 643.115 Contractors—Permission to erect structures.

Installation commanders are authorized to permit the erection of temporary structures for use solely in connection with a Government contract for construction and related work for the period of the contract and with provision for removal and restoration of the premises upon expiration of the contract; Provided, That, in the interest of the United States, any structure suitable for military use may, in lieu of removal, be relinquished to and become the property of the United States. If the structure is to be used for any purpose other than the fulfillment of the contract, application will be made to the DE for such use in order that a proper real estate instrument may be processed.

§ 643.116 Credit unions.

The establishment of credit unions on Army installations is governed by AR 210–24. Installation commanders are authorized to allot space in existing buildings, without charge for rent or services, to any credit union organized under State law or to any Federal credit union organized in accordance with the Federal Credit Union Act, (12 U.S.C. 1770), provided that, in either case, that 95 percent of the membership is composed of Federal employees, including former Federal employees who acquire membership while employed by the Federal Government and retained such membership.

Use of existing space and structures for activities of a civilian nonappropriated fund is governed by AR 230–81.

§ 643.119 Licenses incidental to post administration.

Installation commanders may authorize the use of property incidental to post administration which in the absence of such authority would amount to a trespass, such as licenses to merchants to enter the reservation to make deliveries. The authority noted herein may not be used to grant licenses in situations otherwise covered by this regulation.

§ 643.120 Post offices.

Title 10 U.S.C. 4779b, provides that the SA shall assign suitable space for
post office purposes at military posts where post offices have been established. Space assignment will be accomplished by arrangement between the postmaster and installation commander.

§ 643.121 Private organizations on DA installations.

(a) AR 210–1 defines and classifies private organizations, such as thrift shops and child-care centers, located on Army installations and provides policy guidance for their authorization and operation. Installation commanders may authorize the use of available facilities or space to such private organizations, without monetary consideration, when the use is on a nonexclusive basis and subject to immediate termination when possession is required by the installation commander for another purpose.

(b) Where the private organization desires exclusive use of facilities or space, or for a specified period of time, the matter will be considered a leasing action, the lease will be granted by the DE and will provide for payment of a rental consideration. The installation commander will consult with the DE if there is a question whether a proposed use of facilities or space by a private organization should be authorized by the DE under lease or by the installation commander by the issuance of a license.

§ 643.122 Reserve facilities—Air Force and Navy use.

MACOM may approve local agreements with other Army, DoD, and Reserve elements covering temporary use of existing Army Reserve facilities, Provided, however, That the DA is reimbursed in proportionate share for the services furnished and that the cost of any alterations that may be desired will be borne by the military service concerned. Although no specific form is prescribed for those operational agreements, the agreements constitute interservice support agreements subject to joint AR 1–35/SECNAV INST 4000.20B/AFR 400.27. Nothing in such joint regulation disallows use of DE outgrants to supplement coverages of interservice support agreements when requested and approved in accordance with this regulation. The terms used in the interservice agreements and/or DE outgrants will be those acceptable to the commands concerned. Agreements, however, which provide for the exclusive use of such property by the Air Force or Navy Reserve, or which involve a transfer of funds between services for other than minor utility services, or which involve an increase in personnel strength, or other complications, will be routed to the appropriate DE for execution of a formal permit.

§ 643.123 Reserve facilities—Local civic organizations.

DA Form 373 (Lease or Trailer Sites) will be used exclusively for this purpose.

(b) Leases may be revoked for nonpayment of rent, or breach of any condition of the lease or military necessity.
