§ 643.121 Private organizations on DA installations.

(a) AR 210–1 defines and classifies private organizations, such as thrift shops and child-care centers, located on Army installations and provides policy guidance for their authorization and operation. Installation commanders may authorize the use of available facilities or space to such private organizations, without monetary consideration, when the use is on a nonexclusive basis and subject to immediate termination when possession is required by the installation commander for another purpose.

(b) Where the private organization desires exclusive use of facilities or space, or for a specified period of time, the matter will be considered a leasing action, the lease will be granted by the DE and will provide for payment of a rental consideration. The installation commander will consult with the DE if there is a question whether a proposed use of facilities or space by a private organization should be authorized by the DE under lease or by the installation commander by the issuance of a license.

§ 643.122 Reserve facilities—Air Force and Navy use.

MACOM may approve local agreements with other Army, DoD, and Reserve elements covering temporary use of existing Army Reserve facilities. Provided, however, that the DA is reimbursed in proportionate share for the services furnished and that the cost of any alterations that may be desired will be borne by the military service concerned. Although no specific form is prescribed for those operational agreements, the agreements constitute interservice support agreements subject to joint AR 1–35/SECNAV INST 4000.20B/AFR 400.27. Nothing in such joint regulation disallows use of DE outgrants to supplement coverages of interservice support agreements when requested and approved in accordance with this regulation. The terms used in the interservice agreements and/or DE outgrants will be those acceptable to the commands concerned. Agreements, however, which provide for the exclusive use of such property by the Air Force or Navy Reserve, or which involve a transfer of funds between services for other than minor utility services, or which involve an increase in personnel strength, or other complications, will be routed to the appropriate DE for execution of a formal permit.

§ 643.123 Reserve facilities—Local civic organizations.

In order to promote community relations in areas where Army Reserve Centers have been constructed, local civic and similar nonprofit organizations may be permitted to use the armory facilities during such periods that will not cause any interference with the primary use thereof for the administration and training of the Reserve components of the Armed Services of the United States. Procedures and policy are outlined in AR 140–488.
