the lease. Generally, an activity will qualify as an offset from rental if it is:

(1) Performed on the leased premises, or when it constitutes a substantial part of the entire rental unit or installation,

(2) Of direct benefit to the installation in its authorized current or mobilization mission, as distinguished from desired programs, or in furtherance of the Army’s leasing program,

(3) Generally related to the lessee’s use of the leased property. Where all of the above criteria are met, the following activities may be authorized: Control of erosion, conservation of natural resources, and maintenance of the viability of the land for continuing leasing, such as mowing, weed control, seeding, fertilizing, mulching, crop rotation, selected cutting, and soil conservation measures such as terraces, check dams, wells, springs, ponds, title, or open channels or culverts for drainage, firebreaks, inside fencing and cattle guards. Maintenance, protection, repair or restoration of buildings, roads, perimeter fencing, and similar improvements are not authorized as offsets from rental unless the property is leased to and beneficially used by the lessee, or on a rental unit or installation in which the leased premises constitutes a substantial part or as otherwise approved by HQDA (DAEN-REM), Washington, DC 20314. Also, lessee may be required to perform activities in support of recreation and welfare, fish and wildlife, beautification, and esthetic programs and the cost of establishing and maintaining recreation, swimming and fishing areas, wildlife habitats, food plots, and similar activities when the following conditions have been met:

(1) The activities to be offset are in furtherance of the installation natural resources plan as approved by the MACOM.

(2) The overall plan for the term of the lease, has been approved by ASA (IL & FM).

(3) MACOM approval has been obtained for each lease when any activity to be offset exceeds $1,000.

Total of the offsets in any year will never exceed the annual rental.
