may be referred to the Chief of Information.

§ 705.21 Requests for Navy participation.

(a) Decisions will be made on a case-by-case basis. Events which are inappropriate for one type of participation may be entirely appropriate for another type of participation. A positive and flexible approach should be employed.

(b) Requests by civilian organizations for Navy participation in programs or events they sponsor should be addressed to the nearest naval installation and should be evaluated and authorized at that level if possible. Requests exceeding local resources, or requiring authorization from higher authority, should be forwarded through appropriate channels.

(c) Requests for Armed Forces participation in public events are to be submitted on official request forms (§§ 705.33, 705.34 and 705.36) by the sponsors of events occurring outside a command’s area of direct knowledge and local capability, or involving a type or level of participation unavailable locally, or requiring approval of higher authority.

(d) Fact sheets expounding upon normally requested assets are enclosed in §§ 705.33, 705.34 and 705.36 and may be reproduced and distributed locally.

(e) The official request form is to be used on all requests referred to the Chief of Information and to the Office of Assistant Secretary of Defense (Public Affairs).

§ 705.22 Relations with community groups.

(a) Naval commands will cooperate with and assist community groups within their capabilities, to the event authorized by current instructions, and will participate in their activities to the extent feasible.

(b) Navy commands will encourage membership of personnel in community organizations.

(c) Officers in command will withhold approval of requests from community groups, organizations or individuals whose purposes are unclear, pending advice from the Chief of Information.

(d) Commands may make facilities, less housing and messing, available to community groups, at no expense to the government, when it is in the best interest of the Navy to do so. Mess facilities may not be used for meetings of civic groups or other associations unless all the members of the group concerned are authorized participants of the mess as prescribed in NAVPERS 15951, except as provided below:

(1) Requests to make open mess facilities available to professional or technical seminars or civic groups meeting in connection with an official visit to the activity may be submitted to the officer in charge of the mess, or other appropriate authority. Such requests may be approved when it is shown that the inspection of the activity or the holding of a professional seminar is of principal importance and the use of mess facilities is incidental thereto.

(2) Because of the exceptional nature of the Navy League, as recognized by the Secretary of the Navy, open mess facilities may be used for luncheon or dinner meetings of Navy League Councils, but not more often than once per quarter per group.

(e) Relations with Industry and Labor in the Community (refer to SECNAVINST 5370.2F and DOD Directive 5500.7):

(1) Relations with Navy contractors and with industry and business in general are the responsibility of the officer in command, with the assistance of his public affairs officer.

(2) Navy commands will cooperate with industry and its representatives in planning and executing community relations projects of mutual interest.

(i) Visits to commands will be scheduled for industrial and employee groups under the same conditions as for other civilian groups.

(ii) A contractor may be identified in a news release, exhibit, or the like whenever the major responsibility for the product can be clearly and fairly credited to him. In such cases, both the manufacturer’s name for the product and the Navy designation of it will be used.
