(f) This instruction does not control release of official information in response to requests unrelated to litigation or under the Freedom of Information Act (FOIA), 5 U.S.C. 552, or the Privacy Act, 5 U.S.C. 552a. This instruction does not preclude treating any written request for DON records as a request under the FOIA or Privacy Acts. Activities are encouraged to treat such requests for documents under the FOIA or the Privacy Act if they are invoked by the requestor either explicitly or by fair implication. See 32 CFR 701.3(a), 701.10(a). Activities are reminded that such treatment does not absolve them of the responsibility to respond in a timely fashion to legal process. In any event, if the official information requested pertains to a litigation matter which the United States is a present or potential party, the release authority should notify the delegate of the General Counsel or the Judge Advocate General, under §725.6.

(g) This part does not apply to release of official information or testimony by DON personnel in the following situations:

(1) Before courts-martial convened by any DOD component, or in administrative proceedings conducted by, or on behalf of, such component;

(2) Under administrative proceedings conducted by, or on behalf of, the Equal Employment Opportunity Commission (EEOC) or the Merit Systems Protection Board (MSPB), the Federal Labor Relations Authority, the Federal Services Impasse Panel, or under a negotiated grievance procedure under a collective bargaining agreement to which the Government is a party;

(3) In response to requests by Federal Government counsel, or counsel representing the interests of the Federal Government, in litigation conducted, in whole or in part, on behalf of the United States (e.g., Medical Care Recovery Act claims, affirmative claims, or subpoenas issued by, or concurred in by, Government counsel when the United States is a party), but the regulation does apply to an action brought under the qui tam provisions of the False Claims Act in which a private party brings an action in the name of the United States but in which the Department of Justice either has not yet
§ 725.6 Authority to determine and respond.

(a) Matters proprietary to DON. If a litigation request or demand is made of DON personnel for official DON or DOD information or for testimony concerning such information, the individual to whom the request or demand is made will immediately notify the DOD General Counsel or General Litigation who shall consult and coordinate with the DON personnel in litigation involving terrorism, espionage, nuclear weapons, and intelligence sources or means. Accordingly, determining officials who receive requests pertaining to such litigation shall notify the DOD General Counsel or General Litigation who shall consult and coordinate with the DON personnel in litigation involving terrorism, espionage, nuclear weapons, and intelligence sources or means. Accordingly, determining officials who receive requests pertaining to such litigation shall notify the DON personnel or General Litigation who shall consult and coordinate with the DON personnel prior to any response to such requests.

(b) Matters proprietary to another DOD component. If a DON activity receives a litigation request or demand for official information originated by another DOD component or for non-DON personnel presently or formerly assigned to another DOD component, the DON activity will forward appropriate portions of the request or demand to the DOD component originating the information, to the components where the personnel are assigned, or to the components where the personnel were formerly assigned, for action under 32 CFR part 97. The forwarding DON activity will also notify the requester and court (if appropriate) or other authority of its transfer of the request or demand.
