(f) Pricing Information. Generally, the prices a contractor charges the government for goods or services would be released under the FOIA. Examples of releasable data include: bids submitted in response to an invitation for bids (IFB), amounts actually paid by the government under a contract, and line item prices, contract award price, and modifications to a contract. Unit prices contained in a contract award are considered releasable as part of the post award notification procedure prescribed by 48 CFR 15.503, unless they are part of an unsuccessful proposal, then 10 U.S.C. 2305(g) protects everything including unit price.
