The identity verification procedures of paragraphs (d) and (e) of §1701.7 of this subpart apply to amendment requests.

(b). (1) Records which are determinations of fact or evidence received (e.g., transcripts of testimony given under oath or written statements made under oath; transcripts of grand jury proceedings, judicial proceedings, or quasi-judicial proceedings, which are the official record of those proceedings; pre-sentence records that originated with the courts) and

(2) Records in ODNI systems of records that ODNI or another agency has exempted from amendment and correction under Privacy Act, 5 U.S.C. 552a(j) or (k) by notice published in the FEDERAL REGISTER.

§ 1701.9 Requests for an accounting of record disclosures.

(a) *How to request.* Except where accountings of disclosures are not required to be kept (see paragraph (b) of this section), record subjects (or their guardians or representatives) may request an accounting of disclosures that have been made to another person, organization, or agency as permitted by the Privacy Act at 5 U.S.C. 552a(b). This accounting contains the date, nature, and purpose of each disclosure, as well as the name and address of the person, organization, or agency to which the disclosure was made. Requests for accounting should identify each record in question and must be made in writing to the D/IMO, as indicated in §1701.3 of this subpart, or to the contact designated in a specific Privacy Act System of Records.

(b) *Accounting not required.* The ODNI is not required to provide accounting of disclosure in the following circumstances:

(3) Disclosures from systems of records that have been exempted from accounting requirements under the Privacy Act, 5 U.S.C. 552a(j) or (k), by notice published in the FEDERAL REGISTER.

(b) *Tasking to component.* Upon receipt of a proper access request, the D/IMO shall provide a copy of the request to the point of contact (POC) in the ODNI component with which the records sought reside. The POC within the component shall determine whether responsive records exist and, if so, recommend to the D/IMO:

(2) Whether coordination with or referral to another component or federal agency is appropriate.

(c) *Coordination and referrals—(1) Examination of records.* If a component POC receiving a request for access determines that an originating agency or other agency that has a substantial interest in the record is best able to process the request (e.g., the record is governed by another agency's regulation, or another agency originally generated or classified the record), the POC shall forward to the D/IMO all records necessary for coordination with or referral to the other component or agency, as well as specific recommendations with respect to any denials.

(2) *Notice of referral.* Whenever the D/IMO refers all or any part of the responsibility for responding to a request to another agency, the D/IMO shall notify the requester of the referral.

(3) *Effect of certain exemptions.* (i) In processing a request, the ODNI shall
