

## Department of the Air Force, DoD

## § 806.10

letters to individuals who have had their FOIA request placed in the complex track) are included in §806.27.

(2) Simple requests can be processed quickly, with limited impact on the responding units. The request clearly identifies the records with no (or few) complicating factors involved. There are few or no responsive records, only one installation is involved, there are no outside OPRs, no classified or non-government records, no deliberative process/privileged materials are involved, records contain no (or limited) personal privacy information/did not come from Privacy Act systems of records concerning other individuals, or time extensions not anticipated.

(c) Complex requests will take substantial time, will cause significant impact on responding units. Complications and delays are likely. Records sought are massive in volume, multiple organizations must review/coordinate on records, records are classified, records originated with a nongovernment source, records were part of the Air Force's decision-making process or are privileged.

(d) Expedited processing. Examples of letters to individuals whose FOIA requests and/or appeals were not expedited are included in §806.27.

### §806.7 Use of exemptions.

(a) A listing of some AFIs that provide guidance on special disclosure procedures for certain types of records is provided in §806.28. Refer to those instructions for specific disclosure procedures. Remember, the only reason to deny a request is a FOIA exemption.

(b) Refer requests from foreign government officials that do not cite the FOIA to your foreign disclosure office and notify the requester.

(c) If you have a non-U.S. Government record, determine if you need to consult with the record's originator before releasing it (see §806.9 and §806.15(c)). This includes records created by foreign governments and organizations such as North Atlantic Treaty Organization (NATO) and North American Aerospace Defense (NORAD). You may need to coordinate release of foreign government records with either the U.S. Department of State or with the specific foreign embassy, directly

through the MAJCOM FOIA office. Coordinate release or denial of letters of offer and acceptance (LOA) with SAF/IA through 11 CS/SCSR (FOIA), 1000 Air Force Pentagon, Washington DC 20330-1000.

### §806.8 Description of requested record.

Air Force elements must make reasonable efforts to find the records described in FOIA requests. Reasonable efforts means searching all activities and locations most likely to have the records, and includes staged or retired records, as well as complete and thorough searches of relevant electronic records, such as databases, word processing, and electronic mail files.

### §806.9 Referrals.

(a) Send all referrals through the FOIA office. The receiving FOIA office must agree to accept the referral before transfer. The FOIA office will provide the name, phone number, mailing address, and e-mail address of both the FOIA office point of contact and the record OPR point of contact in their referral letter. Include the requested record. If the requested records are massive, then provide a description of them. Referrals to, or consultations with, DFOISR are accomplished from the MAJCOM level. Section 806.27 has an example of a referral memo.

(b) In some cases, requested records are available from the GPO and NTIS, 5285 Port Royal Road, Springfield VA 22161. These organizations offer certain records for sale to the public. Current standard releasable Air Force publications are available electronically on the WWW at <http://afpubs.hq.af.mil/>. For requesters without electronic access, NTIS has paper copies for sale. Give requesters the web address or NTIS address when appropriate. However, if the requester prefers to pursue the FOIA process, consult with HQ AFCIC/ITC through the MAJCOM. Refer FOIA requests for Air Force publications that are classified, FOUO, rescinded, or superseded to the OPR through the appropriate FOIA office.

### §806.10 Records management.

Keep records that were fully released for 2 years and denied records for 6

years. Include in the 6-year record file copies of records or parts of records that were released in response to the same request. Refer to Air Force Manual (AFMAN) 37-139, Records Disposition Schedule (converting to AFMAN 33-339, see § 806.9(b)). The functional OPR or FOIA office may keep the records released or denied. The FOIA office keeps the FOIA case file for each request. The FOIA case file consists of: the initial request; tasking to OPRs; OPR's reply; memoranda for record (MFR) of phone calls or other actions related to the FOIA request; DD Forms 2086, Record of Freedom of Information (FOI) Processing Cost, or 2086-1, Record of Freedom of Information (FOI) Processing Cost for Technical Data; final response; and any of the following, if applicable: extension letter; legal opinions; submitter notification letters and replies; the appeal and required attachments (except for the released or denied records if maintained by the OPR); and all other correspondence to and from the requester.

**§ 806.11 FOIA reading rooms.**

Each FOIA office will arrange for a reading room where the public may inspect releasable records. You do not need to co-locate the reading room with the FOIA office. The FOIA does not require creation of a reading room dedicated exclusively to this purpose. A "reading room" is any location where a requester may review records. For FOIA-processed (a)(3) records, if requesters meet the criteria for search and review costs, they must be paid before inspecting records. Assess reproduction costs at the time of inspection, if appropriate.

**§ 806.12 Record availability.**

(a) HQ AFCIC/ITC will make the traditional FOIA-processed (a)(2) materials (5 U.S.C. 552(a)(2)(A), (B), and (C)) available to the public. Each Air Force activity must make 5 U.S.C. 552(a)(2)(D) records ("FOIA-processed (a)(2)(D) records"—records which they determine will, or have become, the subject of frequent or subsequent requests) available to the public in a reading room in hard copy and electronically by posting it to their appropriate web site. There is no require-

ment to make all FOIA-released records available electronically. The FOIA manager, in coordination with the functional OPR, or the owner of the records, determines qualifying records, after coordination with any interested OCRs. As required by AFIs 33-129 and 35-205, OPRs request clearance of these records with the PAO before posting on the WWW.

(b) Normally, if the FOIA office or OPR receives, or anticipates receiving, five or more requests for the same record in a quarter, they will consider it a frequently requested record (FOIA-processed (a)(2)(D) record) and make it publicly available in hard copy and electronically as outlined in § 806.12(a). OPRs may elect to make other records publicly available if they receive, or expect to receive, less than five requests a quarter. The purpose is to make records available in an ERR to potential future FOIA requesters instead of waiting to receive a FOIA request, and reduce the number of multiple FOIA requests for the same records requiring separate responses. In making these determinations, recognize there are some situations in which a certain type of record becomes the subject of simultaneous FOIA requests from all interested parties and then ceases to be of interest. Activities may typically receive a "flurry" of FOIA requests for contract records immediately after a contract is awarded, but do not receive any subsequent requests for such bulky records after that point. In some cases, activities may decide that placing records in the ERR would not serve the statutory purpose of "diverting some potential FOIA requests for previously released records." The following types of records should be considered for inclusion in the ERR (excluding individuals assigned to overseas, sensitive, and routinely deployable units): organizational charts and limited staff directories; lists of personnel reassigned with gaining base; MAJCOM FOIA supplements; lists of International Merchant Purchase Authority Card (IMPAC) card holders. Do not post lists of e-mail addresses.

(c) GILS. Each activity that posts FOIA-processed (a)(2)(D) records (records which they determine will, or
