§ 334.1180 Strait of Juan de Fuca, Wash.; air-to-surface weapon range, restricted area.

(a) The restricted area. A circular area immediately west of Smith Island with a radius of 1.25 nautical miles having its center at latitude 48°19′11″ North and longitude 122°54′12″ West. In the center of the area will be located a lighted and radar reflective buoy to serve as a navigational aid to mariners. The area will be used for air-to-surface target practice using non-explosive training devices.

(b) The regulations. (1) No person, vessel or other watercraft shall enter or remain within the designated restricted area between 0700 and 1200 hours daily, local time except as authorized by the enforcing agency and as follows: The area will be open to commercial gill net fishing during scheduled fishing periods from June 15 to October 15 annually. The October 15 closure date will be extended by the enforcing agency if determined as advantageous to the commercial gill net fishing by the Washington State Department of Fisheries.

(2) Prior to each target practice operation the restricted area will be patrolled by naval aircraft. Those persons and vessels found within the restricted area will be overflown by the aircraft at an altitude of not less than 300′ in the direction in which the unauthorized person and vessel are to proceed to clear the area.

(c) The regulations in this section shall be enforced by the Commandant, Thirteenth Naval District, Seattle, Washington, and such agencies as he may designate.
