(c)(1) To determine whether schools served under subpart A of this part are making AYP, an LEA also may use any additional academic assessments or any other academic indicators described in the LEA's plan.

(2)(i) The LEA may use these assessments and indicators—

(A) To identify additional schools for school improvement or in need of corrective action or restructuring; and

(B) To permit a school to make AYP if, in accordance with § 200.20(b), the school also reduces the percentage of a student group not meeting the State's proficient level of academic achievement by at least 10 percent.

(ii) The LEA may not, with the exception described in paragraph (c)(2)(i)(B) of this section, use these assessments and indicators to reduce the number of, or change the identity of, the schools that would otherwise be identified for school improvement, corrective action, or restructuring if the LEA did not use these additional indicators.

(d) The LEA must publicize and disseminate the results of its annual progress review to parents, teachers, principals, schools, and the community.
