§ 263.9 When does payback begin?

(a) For all participants who complete their training under the Professional Development program, payback shall begin within six months from the date of completion of the training.

(b) For participants who do not complete their training under the Professional Development program, payback shall begin within six months from the date the fellow leaves the Professional Development program, unless he or she continues as a full-time student without interruption, in a program leading to a degree in an accredited institution of higher education.

1) If the participant leaves the Professional Development program, but plans to continue his or her education as a full-time student, the Secretary may defer the payback requirement until the participant has completed his or her educational program. Written requests for deferment shall be submitted to the Secretary within 30 days of leaving the Professional Development program and shall provide the following information—

(i) The name of the accredited institution the student will be attending;

(ii) A copy of the letter of admission from the institution;

(iii) The degree being sought; and

(iv) The projected date of completion.

2) After approval by the Secretary for deferment of the payback provision on the basis of continuing as a full-time student, former participants are required to submit to the Secretary a status report from an academic advisor or other authorized representative of the institution of higher education, showing verification of enrollment and status, after every grading period.

3) A participant shall notify the Secretary in writing of any change in the work-related service being performed within 30 days of such change.

4) For work-related payback, individuals shall submit a status report every six months beginning from the date the work-related service is to begin. The reports shall include a certification from the participant’s employer that the service(s) have been performed without interruption.

5) For participants that initiate, but cannot complete, a work-related payback, the payback reverts to a cash payback that is prorated based upon the amount of time the work-related payback has been completed.

§ 263.10 What are the payback reporting requirements?

(a) Notice of intent. Participants shall submit to the Secretary, within 30 days of completion of their training program, a written notice of intent to complete a work-related or cash payback, or to continue in a degree program as a full-time student.

(b) Work-related payback. If the participant proposes a work-related payback, the written notice of intent shall include information explaining how the work-related service is related to the training received and how it benefits Indian people.

1) For work-related service, the Secretary shall review each participant’s payback plan to determine if the work-related service is related to the training received and that it benefits Indian people. The Secretary approves the payback plan if a determination is made that the work-related service to be performed is related to the training received and benefits Indian people, meets all applicable statutory and regulatory requirements, and is otherwise appropriate.

2) The payback plan for work-related service shall identify where, when, the type of service, and for whom the work will be performed.

3) A participant shall notify the Secretary in writing of any change in the work-related service being performed within 30 days of such change.

4) For work-related payback, individuals shall submit a status report every six months beginning from the date the work-related service is to begin. The reports shall include a certification from the participant’s employer that the service(s) have been performed without interruption.

5) For participants that initiate, but cannot complete, a work-related payback, the payback reverts to a cash payback that is prorated based upon the amount of time the work-related payback has been completed.
