- (2) Citizens of the United States; and
- (3) Certified by the State vocational rehabilitation agency as qualified to operate a vending facility.

(b) The State licensing agency shall provide for the issuance of licenses for an indefinite period but subject to suspension or termination if, after affording the vendor an opportunity for a full evidentiary hearing, the State licensing agency finds that the vending facility is not being operated in accordance with its rules and regulations, the terms and conditions of the permit, and the terms and conditions of the agreement with the vendor.

(c) The State licensing agency shall further set out the method of determining the charge for each of the above purposes listed in paragraph (b) of this section, which will be determined with the active participation of the State Committee of Blind Vendors and which will be designed to prevent, so far as is practicable, a greater charge for any purpose than is reasonably required for

Such programs shall include on-the-job training in all aspects of vending facility operation for blind persons with the capacity to operate a vending facility, and upward mobility training (including further education and additional training or retraining for improved work opportunities) for all blind licensees. The State licensing agency shall further ensure that post-employment services shall be provided to blind vendors as vocational rehabilitation services as necessary to assure that the maximum vocational potential of such vendors is achieved and suitable employment is maintained within the State's vending facility program.
