

(6) The policies regarding fire safety education and training programs provided to the students and employees. In these policies, the institution must describe the procedures that students and employees should follow in the case of a fire.

(7) For purposes of including a fire in the statistics in the annual fire safety report, a list of the titles of each person or organization to which students and employees should report that a fire occurred.

(8) Plans for future improvements in fire safety, if determined necessary by the institution.

(c) *Fire statistics.* (1) An institution must report statistics for each on-campus student housing facility, for the three most recent calendar years for which data are available, concerning—

(i) The number of fires and the cause of each fire;

(ii) The number of persons who received fire-related injuries that resulted in treatment at a medical facility, including at an on-campus health center;

(iii) The number of deaths related to a fire; and

(iv) The value of property damage caused by a fire.

(2) An institution is required to submit a copy of the fire statistics in paragraph (c)(1) of this section to the Secretary on an annual basis.

(d) *Fire log.* (1) An institution that maintains on-campus student housing facilities must maintain a written, easily understood fire log that records, by the date that the fire was reported, any fire that occurred in an on-campus student housing facility. This log must include the nature, date, time, and general location of each fire.

(2) An institution must make an entry or an addition to an entry to the log within two business days, as defined under §668.46(a), of the receipt of the information.

(3) An institution must make the fire log for the most recent 60-day period open to public inspection during normal business hours. The institution must make any portion of the log older than 60 days available within two business days of a request for public inspection.

(4) An institution must make an annual report to the campus community on the fires recorded in the fire log. This requirement may be satisfied by the annual fire safety report described in paragraph (b) of this section.
