

number a student provides on the Free Application for Federal Student Aid (FAFSA) under a data match with the Social Security Administration. If the Social Security Administration confirms that number, the Secretary notifies the institution and the student of that confirmation.

(2) If the student's verified social security number is the same number as the one he or she provided on the FAFSA, and the institution has no reason to believe that the verified social security number is inaccurate, the institution may consider the number to be accurate.

(3) If the Social Security Administration does not verify the student's social security number on the FAFSA, or the institution has reason to believe that the verified social security number is inaccurate, the student can provide evidence to the institution, such as the student's social security card, indicating the accuracy of the student's social security number. An institution must give a student at least 30 days, or until the end of the award year, whichever is later, to produce that evidence.

(4) An institution may not deny, reduce, delay, or terminate a student's eligibility for assistance under the title IV, HEA programs because verification of that student's social security number is pending.

(b)(1) An institution may not disburse any title IV, HEA program funds to a student until the institution is satisfied that the student's reported social security number is accurate.

(2) The institution shall ensure that the Secretary is notified of the student's accurate social security number if the student demonstrates the accuracy of a social security number that is not the number the student included on the FAFSA.

(c) If the Secretary determines that the social security number provided to an institution by a student is incorrect, and that student has not provided evidence under paragraph (a)(3) of this section indicating the accuracy of the social security number, and a loan has been guaranteed for the student under the FFEL program, the institution shall notify and instruct the lender and guaranty agency making and guaran-

teeing the loan, respectively, to cease further disbursements of the loan, until the Secretary or the institution determines that the social security number provided by the student is correct, but the guaranty may not be voided or otherwise nullified before the date that the lender and the guaranty agency receive the notice.

(d) Nothing in this section permits the Secretary to take any compliance, disallowance, penalty or other regulatory action against—

(1) Any institution of higher education with respect to any error in a social security number, unless the error was the result of fraud on the part of the institution; or

(2) Any student with respect to any error in a social security number, unless the error was the result of fraud on the part of the student.

(2) Under the data match, Selective Service reports to the Secretary whether its records indicate that the student is registered, and the Secretary reports the results of the data match to the student and the institution the student is attending.

- (i) Is registered;
- (ii) Is not, or was not required to be, registered;
- (iii) Has registered since the submission of the FAFSA; or
- (iv) Meets the conditions of paragraph (d) of this section.

(2) An institution must give a student at least 30 days, or until the end of the award year, whichever is later, to provide evidence to establish the condition described in paragraph (c)(1) of this section.

(d) An institution may determine that a student, who was required to, but did not register with the Selective Service, is not ineligible to receive title IV, HEA assistance for that reason, if the student can demonstrate by submitting clear and unambiguous evidence to the institution that—

(2) The institution does not have uncontroverted evidence that the student knowingly and willfully failed to register.

(f)(1) A student who is required to register with the Selective Service and has been denied title IV, HEA program assistance because he has not proven to the institution that he has registered with Selective Service may seek a hearing from the Secretary by filing a request in writing with the Secretary. The student must submit with that request—

(i) A statement that he is in compliance with registration requirements;

(ii) A concise statement of the reasons why he has not been able to prove that he is in compliance with those requirements; and

(iii) Copies of all material that he has already supplied to the institution to verify his compliance.

(2) The Secretary provides an opportunity for a hearing to a student who—

(i) Asserts that he is in compliance with registration requirements; and

(ii) Files a written request for a hearing in accordance with paragraph (f)(1) of this section within the award year for which he was denied title IV, HEA program assistance or within 30 days following the end of the payment period, whichever is later.

(3) An official designated by the Secretary shall conduct any hearing held under paragraph (f)(2) of this section. The sole purpose of this hearing is the determination of compliance with registration requirements. At this hearing, the student retains the burden of proving compliance, by credible evidence, with the requirements of the Military Selective Service Act. The designated official shall not consider challenges based on constitutional or other grounds to the requirements that a student state and verify, if required, compliance with registration requirements, or to those registration requirements themselves.

(g) Any determination of compliance made under this section is final unless reopened by the Secretary and revised on the basis of additional evidence.

(h) Any determination of compliance made under this section is binding only

for purposes of determining eligibility for title IV, HEA program assistance.
