§ 13.325

authorization. If the best offer from a preferred operator is at least substantially equal to the best offer from a non-preferred operator, the preferred operator will receive authorization. If an offer from a person besides a preferred operator is determined to be the best offer (and no preferred operator submits a responsive offer that is substantially equal to it), the preferred operator who submitted the best offer from among the offers submitted by preferred operators will be given the opportunity, by amending its offer, to meet the terms and conditions of the best offer received. If the amended offer of such a preferred operator is considered by the Director as at least substantially equal to the best offer, the preferred operator will receive the visitor service authorization. If a preferred operator does not amend its offer to meet the terms and conditions of the best offer, the Director will issue the authorization to the person who submitted the best offer in response to the solicitation.

(c) The Native Corporation(s) determined to be "most directly affected" under this subpart and local residents have equal preference. The rights of preferred operators under this section take precedence over the right of preference that may be granted to existing satisfactory National Park Service concessioners pursuant to the Concessions Policy Act (16 U.S.C. 20) and its implementing regulations and procedures, but do not take precedence over the rights of historical operators or CIRI as described in this subpart.

(d) An offer from a preferred operator under this subpart, if the offer is in the form of a joint venture, will not be considered valid unless it documents to the satisfaction of the Director that the preferred operator holds the controlling interest in the joint venture.

(e) Nothing in this subpart will prohibit the Director from authorizing persons besides preferred operators to provide visitor services in park areas as long as the procedures described in this section have been followed. Preferred operators are not entitled by this section to provide all visitor services in a park area.

(f) The preferences described in this section may not be sold, assigned,

transferred or devised, directly or indirectly.

§ 13.320 Preference to Cook Inlet Region, Incorporated.

(a) The Cook Inlet Region, Incorporated (CIRI), in cooperation with village corporations within the Cook Inlet region when appropriate, will have a right of first refusal to provide new visitor services within that portion of Lake Clark National Park and Preserve that is within the boundaries of the Cook Inlet region. In order to exercise this right of first refusal, the National Park Service will publicly solicit competitive offers for the visitor services authorization pursuant to 36 CFR part 51 or other applicable National Park Service procedures. CIRI must submit a responsive offer within 90 days of such solicitation. If CIRI makes such an offer and is determined by the Director to be capable of carrying out the terms and conditions of the visitor services authorization, it will receive the authorization. If it does not, the authorization may be awarded to another person pursuant to usual National Park Service policies and procedures if otherwise appropriate.

(b) The CIRI right of first refusal will have precedence over the rights of preferred operators. An offer from CIRI under this section, if the offer is in the form of a joint venture, will not be considered valid unless it demonstrates to the satisfaction of the Director that CIRI has a controlling interest in the joint venture.

(c) The CIRI right of first refusal may not be sold, transferred, devised or assigned, directly or indirectly.

§ 13.325 Most directly affected Native Corporation.

(a) Before the award of the first visitor service authorization in a park area to be made after the effective date of this subpart, the Director will provide an opportunity for any Native Corporation interested in providing visitor services within the applicable park area to submit an application to the superintendent to be determined the Native Corporation most directly affected by the establishment or expansion of the park area by or under the
