

§ 13.40

fish and wildlife or parts or products thereof, plants or parts or products thereof, live or dead wood, fungi, sea-shells, rocks, and minerals.

(c) Gathering or collecting, by hand and for personal use only, of the following renewable resources is permitted—

(1) Natural plant food items, including fruits, berries and mushrooms, but not including threatened or endangered species;

(2) Driftwood and uninhabited sea-shells;

(3) Such plant materials and minerals as are essential to the conduct of traditional ceremonies by Native Americans; and

(4) Dead wood on the ground for use as fuel for campfires within the park area.

(d) The Superintendent may authorize, with or without conditions, the collection of dead standing wood in all or a portion of a park area. Collecting dead or downed wood in violation of terms and conditions is prohibited.

(e) Surface collection, by hand (including hand-held gold pans) and for personal recreational use only, of rocks and minerals is permitted, with the following exceptions:

(1) Collection of silver, platinum, gemstones and fossils is prohibited; and

(2) Collection methods that may result in disturbance of the ground surface, such as the use of shovels, pick-axes, sluice boxes, and dredges, are prohibited.

(f) The Superintendent may limit the size and quantity of the natural products that may be gathered or possessed.

(1) Under conditions where it is found that significant adverse impact on park resources, wildlife populations, subsistence uses, or visitor enjoyment of resources will result, the Superintendent will prohibit the gathering or otherwise restrict the collecting of natural products.

(2) The Superintendent will notify the public of portions of a park area in which closures or restrictions apply by:

(i) Publishing a notice in at least one newspaper of general circulation in the State and providing a map available for public inspection in the office of the Superintendent; or

(ii) Posting appropriate signs.

(g) *Subsistence*. Nothing in this section shall apply to local rural residents authorized to take renewable resources.

§ 13.40 Taking of fish and wildlife.

(a) [Reserved]

(b) *Fishing*. Fishing is permitted in all park areas in accordance with applicable State and Federal law, and such laws are hereby adopted and made a part of these regulations to the extent they are not inconsistent with § 2.3 of this chapter.

(c) *Commercial fishing*. The exercise of valid commercial fishing rights or privileges obtained prior to December 2, 1980, pursuant to existing law in Cape Krusenstern National Monument, the Malaspina Glacier Forelands area of the Wrangell-St. Elias National Preserve, and the Dry Bay area of Glacier Bay National Preserve, including the use of these park areas for existing campsites, cabins and other structures, motorized vehicles, and aircraft landings on existing airstrips, may continue provided that all such use is directly incident to the exercise of those rights or privileges.

(1) *Restrictions*. The Superintendent may restrict or revoke the exercise of a valid commercial fishing right or privilege based upon specific findings, following public notice and an opportunity for response, that continuation of such use of a park area constitutes a direct threat to or significant impairment of the values and purposes for which the park area was established.

(2) *Expansion of uses*. (i) A person holding a valid commercial fishing right or privilege may expand his or her level of use of a park area beyond the level of such use in 1979 only pursuant to the terms of a permit issued by the Superintendent.

(ii) The Superintendent may deny a permit or otherwise restrict the expanded use of a park area directly incident to the exercise of such rights or privileges, if the Superintendent determines, after conducting a public hearing in the affected locality, that the expanded use constitutes either:

(A) A significant expansion of the use of a park area beyond the level of such

National Park Service, Interior

§ 13.45

use during 1979 (taking into consideration the relative levels of use in the general vicinity, as well as the applicant's levels of use); or

(B) A direct threat to, or significant impairment of, the values and purposes for which the park area was established.

(d) *Hunting and trapping.* (1) Hunting and trapping are allowed in national preserves in accordance with applicable Federal and non-conflicting State law and regulations.

(2) Violating a provision of either Federal or non-conflicting State law or regulation is prohibited.

(3) Engaging in trapping activities as the employee of another person is prohibited.

(4) It shall be unlawful for a person having been airborne to use a firearm or any other weapon to take or assist in taking any species of bear, caribou, Sitka black-tailed deer, elk, coyote, arctic and red fox, mountain goat, moose, Dall sheep, lynx, bison, musk ox, wolf and wolverine until after 3 a.m. on the day following the day in which the flying occurred. This prohibition does not apply to flights on regularly scheduled commercial airlines between regularly maintained public airports.

(5) Persons transporting wildlife through park areas must identify themselves and the location where the wildlife was taken when requested by an NPS employee or other authorized person.

(e) *Closures and restrictions.* The Superintendent may prohibit or restrict the non-subsistence taking of fish or wildlife in accordance with the provisions of §13.50 of this chapter. Except in emergency conditions, such restrictions shall take effect only after the Superintendent has consulted with the appropriate State agency having responsibility over fishing, hunting, or trapping and representatives of affected users.

§ 13.45 Unattended or abandoned property.

(a) This section applies to all park areas in Alaska except Klondike Gold Rush National Historical Park and Sitka National Historical Park, or as further restricted for specific park

areas in subparts H through V of this part.

(b) *Personal property.* (1) Leaving personal property longer than 4 months is prohibited. The Superintendent may authorize property to be left in place for more than 4 months.

(2) Identification information is required for all personal property left in park areas. Identification information consists of the owner's name, home address, telephone number, date that the property was left, and the type of fuel if the property contains fuel. This information must be—

(i) Labeled on the property; or

(ii) Provided to the Superintendent.

(3) All property must be stored in such a manner that wildlife is unable to access the contents. Storing property in a manner that wildlife can access contents is prohibited.

(4) Leaving fuel in more than one location in a park area or leaving more than 30 gallons of fuel is prohibited unless authorized by the Superintendent.

(5) Storing fuel within 100 feet of a water source, high water mark of a body of water, or mean high tide is prohibited unless stored in a spill proof overpack container or authorized by the Superintendent. Fuel must be contained in an undamaged and closed fuel container designed for fuel storage. Fueling from containers must occur in such a manner that any spillage would be prevented from coming into contact with water, soil, or vegetation. Failure to properly contain or prevent spillage is prohibited.

(6) Leaving property unattended for longer than 24 hours on facilities is prohibited unless authorized by the Superintendent.

(7) Property left in violation of this section is prohibited and subject to impoundment and, if abandoned, disposal or forfeiture.

(c) The Superintendent may designate areas where personal property may not be left unattended for any time period, establish limits on the amount and type of personal property that may be left unattended, prescribe the manner in which personal property may be left unattended, or establish limits on the length of time personal property may be left unattended. Such designations and restrictions shall be
