§ 7.42 Pipestone National Monument.

(a) An American Indian desiring to quarry and work “catlinite” pipestone shall first secure a permit from the Superintendent. The Superintendent shall issue a permit to any American Indian applicant, Provided, that: (1) In the judgment of the Superintendent, the number of permittees then quarrying or working the pipestone is not so large as to be inconsistent with preservation of the deposit and (2) a suitable area is available for conduct of the operation. The permit shall be issued without charge and shall be valid only during the calendar year in which it is issued.

(b) An American Indian desiring to sell handicraft products produced by him, members of his family, or by other Indians under his supervision or under contract to him, including pipestone articles, shall apply to the Superintendent. The Superintendent shall grant the permit provided that (1) in his judgment the number of permittees selling handicraft products is not so large as to be inconsistent with the enjoyment of visitors to the Pipestone National Monument and (2) a suitable area is available for conduct of the operation. The permit shall be issued without charge and shall be valid only during the calendar year in which it is issued.

36 CFR Ch. I (7–1–10 Edition)

§ 7.43 Natchez Trace Parkway.

(a)–(b) [Reserved]

(c) Vehicles—(1) Trucks. Trucks over one ton rated capacity are not permitted on the parkway. Trucks, not exceeding one ton rated capacity, are permitted to travel on the Natchez Trace Parkway when used solely for transportation of persons, their baggage, camping equipment and related articles for recreational purposes only. Trucks used for the purpose of hauling non-recreational materials are not permitted.

(2) Animal-drawn vehicles. Animal-drawn vehicles or implements are prohibited on the main parkway road.

(3) Farm vehicles. Farm vehicles, including agricultural implements, with or without load carrying capacity, and whether or not self-propelled, are prohibited on the parkway, except when such travel is authorized by the Superintendent or when such travel is in connection with the construction, operation, or maintenance of the parkway.

(4) Recreational vehicles. Recreational vehicles, including but not limited to self-propelled mobile homes, campers, house trailers, and vehicles up to 1 1/2 ton rated capacity, when such recreational vehicles are used solely to carry persons for recreational purposes together with their baggage, camping equipment, and related articles for vacation or recreational purposes, are permitted on the parkway.

(5) Trailers. Trailers are permitted when used non-commercially to transport baggage, camping equipment, horses for recreational riding, small boats and other similar items used for vacation or recreational purposes, provided they meet the following criteria: (i) Utility type trailers must be enclosed or covered and are not to exceed 5 feet by 8 feet. (ii) Trailers must be equipped with red taillights, red stoplights and mechanical turn signals. Clearance lights are required on trailers over 6 feet high. (iii) Only one trailer of any type may be towed by any one vehicle along the
