§218.3 Authorized hazardous fuel reduction projects subject to objection.

(a) Only authorized hazardous fuel reduction projects as defined by the HFRA, section 101(2), occurring on National Forest System lands that have been analyzed in an EA or EIS are subject to this subpart. Authorized hazardous fuel reduction projects processed under the provisions of the HFRA are not subject to the notice, comment, and appeal provisions set forth in part 215 of this chapter.

(b) When authorized hazardous fuel reduction projects are approved contemporaneously with a plan amendment that applies only to that project, the objection process of this part applies to both the plan amendment and the project.

§218.4 Authorized hazardous fuel reduction projects not subject to objection.

Projects are not subject to objection when no comments (§218.2) are received during the opportunity for public comment (§218.7(a)). The responsible official must issue an explanation with the record of decision (ROD) or decision notice (DN) that the project was not subject to objection.

§218.5 Giving notice of proposed authorized hazardous fuel reduction projects subject to objection.

(a) In addition to the notification required in paragraph (c) of this section, the responsible official should disclose during scoping and in the EA or EIS that the project is authorized under the HFRA and will therefore be subject to the objection procedure at 36 CFR...
